

THE WOODLEYS OF ESSEX

Version 6

This is a fairly comprehensive catalogue of the Woodley families that originated or settled in Essex and the neighbouring counties of Cambridgeshire, Hertfordshire, Suffolk and London.

There appears to be no connection with the sea-faring Woodleys of Devon and the Carribbean, nor the Woodleys of Berkshire.

PART 1 - INTRODUCTION

The Woodleys of Essex have been clustered here into fourteen different family clans.

THE MAIN FAMILY

[FAMILY H](#) - ROGER WOODLEY OF HENHAM (HENHAM-CHESTERFORD-ELMDON-WIDDINGTON)

This is the oldest known family, originating in Henham, near Saffron Walden and spreading across the area south to Bishops Stortford to become the biggest clan of Woodleys in the region. It branched **into a number of sub-families** :

[.1 FAMILY R](#) - RICHARD OF RICKLING (RICKLING-WIDDINGTON-STANSTED)

Mainly settled in Manuden, Littlebury, Bishops Stortford, Saffron Walden and London. The principal family is that of Richard Woodley 1628 and Frances Eve. Also marriages to Collin, Searle, Pamphilon and Wood.

Family R is further divided into :

[.1A FAMILY B](#) (MANUDEN - Sandford).

Family B includes marriages to Grey, Watts, Dearsley, Richardson and Thurgood

[.1B FAMILY N](#) (MANUDEN - Hammond)

Family N includes marriages to Hammond, Livermore, Gibbs, Seamer and Gregory.

[.1C FAMILY P](#) (STANSTED - Pamphilon)

FAMILY P includes marriages to Pamphilon, Battel, Stamford and Brand

[.2 FAMILY D](#) - MARTIN WOODLEY AND ANNA (DEBDEN-NEWPORT-GT WALTHAM-STISTED)

Part of this branch stayed in Debden Another branch featured marriages to Gastin, Wollis, Huggons, Nightingale. Subdivided into FAMILIES E and G

[.2A FAMILY E](#) - WILLIAM WOODLEY AND AGNES PURCAS (RADWINTER-CASTLE CAMPS)

Mainly settled in Stisted, Radwinter, Saffron Walden, Ashdon and Castle Camps. Surnames include Young, Greenleaf, Downham.

[.2B FAMILY G](#) - CAMBRIDGESHIRE (FOLWMERE)

Originally found in Fowlmere, Cambridgeshire, not far from Saffron Walden. Records go from 1586 to 1734 and another isolated family later appears in Cambridge City.

[.3 FAMILY J](#) - SOUTH-WEST OF CHELMSFORD (INGATESTONE-ORSETT)

Mainly settled in Ingatestone, Mountnessing, Ockendon and other villages to the south west of Chelmsford The earliest records arte from 1560 but there are no records between 1620 and 1750

[.4 FAMILY S](#) - STISTED

Originally in Stisted but later in Castle Camps. Marriages to Claydon, Pomfret, Chapman, Dison and Free

OTHER WOODLEYS OF ESSEX FAMILIES

The following families may be related to the 'Main' family above, but any connection is far from clear.

ASHDON

[FAMILY A](#) - CITY OF LONDON AND ASHDON (A) (ASHDON)

This established City of London family (not necessarily wealthy) became the dominant family of Ashdon in Essex when John Woodley and Ann Senior moved to Ashdon from London in 1739. The key families in this clan are William Woodley and

Jane Norris, James Woodley and Elizabeth, and John Woodley and Mary Weard. Other surnames are Goodwin, Augur and Coote, and the convict Charles Woodley. The start of this family is the marriage of Charles Woodley (#6000) and Helena Price (#6001) in St Johns Duke Place London in 1687.

[FAMILY M - WADLEYS OF ASHDON \(M\) \(ASHDON\)](#)

A family based in Ashdon, but seemingly unconnected to other Woodleys, they tended to use alternate and inconsistent spellings such as Wadley and Wodle.

COLCHESTER

[FAMILY C - STEPNEY AND KELVEDON \(C\) \(KELVEDON\)](#)

A member of an established family of Stepney, East London moved to Kelvedon near Chelmsford. Associated surname is Holliday. The family was recorded in Stepney as early as 1650 but moved to Chelmsford in 1731. There was already an established family in Kelvedon. Alas, there being no male heir the Woodley line ceased.

[FAMILY F - COLCHESTER \(COLCHESTER\)](#)

This family of Woodleys based in the peninsular area east of Colchester,. The earliest record is 1752. Includes Gt Bentley and Harwich.

THE WOODLEYS OF HENHAM AND DEBDEN (G0 to G4 - HENHAM, G2 to G4 HIGH RODING)

This file includes the earliest known records of Woodleys in Essex, starting in 1502. This single family gives rise to the *majority* of Essex Woodleys, though there are Woodleys and Wadleys and Woodles in Essex who may or may not be related to this family at all.

St Mary's Henham was used by the Woodley family until 1562 when they abandoned the church presumably to become non-conformist. Elizabeth I came to the throne in 1558 and ushered in a period of relative tolerance towards christians who did not follow the established protestant church.

Debden, Newport, Widdington and Rickling are all within about four miles of Henham. High Roding is 10 miles from Henham. Stisted is 20 miles from Henham.

ROGER WOODLEY (G0 - HENHAM)

Roger Woodley (#7001)

The earliest known record of a Woodley in Essex and its surrounding counties is the death of Roger Woodley in Henham, Essex in 1502. We might expect therefore that he was born around 1450 and married perhaps around 1470.

Roger had two sons :

.1 John Woodley (#8216), died Henham either 6th Jan 1542 or 31st May 1543

.2 Thomas or Thone Woodley (#8026), died Henham either 4th Sept 1544 or 24th Dec 1541

Note the two possible dates. We believe that in transcribing records from ancient registers the dates got confused. This is a regular feature of very early parish records. We can guess that John and Thomas were born around 1480 and married around 1500.

There are two additional death records in Henham

.1 Alis (#8000), died Henham 31st Aug 1546

.2 Katherin (#8002), died Henham 8th Jan 1545

The simplest interpretation is that John (#8216) married Alis (#8000) and that Thomas (#8026) married Katherin (#8002).

G1 =====

**JOHN WOODLEY (G1-HENHAM)
THOMAS WOODLEY (G1-HENHAM)**

John Woodley #8216 and Thomas Woodley #8026 were the sons of Roger Woodley of Henham.

It is possible that one son stayed in Henham and had the three sons listed here and the other went to Chelmsford and had two sons there. ([SEE FAMILY R](#))

For admin purposes we will call the one who stayed in Henham 'John_or_Thomas' (#8216) and the one who went to Chelmsford 'Thomas_or_John' (#8026)

Sons of John or Thomas #8216

.1 Richard (#9600) died Henham 31st January 1555

.2 Thomas (#6100), died Henham 10th November 1556

Sons of Thomas or John #8026

.3 George (#6610) bapt 1503 Chelmsford

.4 Henry (#6611) bapt 1503 Chelmsford

It might be that George and Henry were from the junior part of the family, so had no land to tie them and so moved to Chelmsford as merchants and then, quite possibly to London.

G2 =====

THOMAS WOODLEY (G2 - HENHAM)

Thomas #6100 born c1500 married an unknown #6110 in about 1520, and was buried 10th November 1556 Henham.

He had three sons :

.1 JES WOODLEY OF INGATESONE (G3 - INGATESTONE) #8019
SEE FAMILY J

.2 THOMAS WOODLEY #8221 OF HIGH RODING (G3 - HIGH
RODING)SEE HIGH RODING BELOW

.3 Martin Woodley (#8003) , died Newport 5th March 1559
SEE FAMILY D

and there were three documented potential wives

.1 Anna (#8001), died Debden 25th April 1558 , presumed wife of
Martin (#8003) **SEE FAMILY D**

.2 Alis (#8218) died Henham 30th June 1557

.3 Joan (#8129) died Henham 1556

We can presume that these individuals were all born around 1500
and married around 1520.

.2 Richard #8005 d 1562

William married

.1 Maria (#8008) died Henham 10th June 1568

William and Maria would have been born around 1520 and married around 1540.

Other contemporary marriage records suggest three daughters of Richard #9600 and Thomas #6100 born around 1520

RICHARD AND AGATHA (G5 - WOODFORD)

Richard (#5001) son of Morris #7018 b c 1570

.
There was a family in Woodford and Little Ilford from around 1600. Woodford is 30 miles from Henham and 15 miles from Ingatestone so it is not inconceivable that the Henham or Ingatestone family moved to Woodford.

Now Morris #7018 was born in Henham, but his son Richard has apparently migrated to Woodford, much closer to London. It therefore is a hypothesis that this Richard founded [FAMILY A](#) which appears in the City of London and Stepney from 1600.

THE WILL OF RICHARD WOODLEY 1613

This is the will of Richard Woodley of Woodford dated 1613.

His beneficiaries are :

Edward his son (£20)

Margaret his daughter

Agatha his wife as main beneficiary

Morris, his father as executor.

G0 ROGER (FAMILY H)

G1 JOHN OR THOMAS (FAMILY H)

The Woodley family of Chelmsford and Rickling starts here.

G2 =====

GEORGE AND HENRY (G2- CHELMSFORD)

George (#6610) and Henry (#6611) Woodley were both baptised on 17th July 1503 in Chelmsford.

The parents are not named, but would have been born c1480 and died c1530 . This would conceivably be either John or Thomas the sons of Roger of Henham. We will call him 'Thomas_or_John' (#8026) who married Katherin (#8002).

One of these sons, 'George_or_Henry' (#6610) and 'Henry_or_George' (#6611), married around 1520 . Neither feature in Chelmsford any more. Either they had no children or they moved elsewhere probably London.

G3 =====

RICHARD WOODLEY AND ELIZABETH (G3 - CHELMSFORD)

Richard (#8005) was born around 1520 **the son of George_or_Henry (#6610) of Chelmsford or more likely**. son of Richard #9600. He married Elizabeth in 1560, *though it had previously been thought he married Frances (#8006)* **IT MAY WELL BE THAT HE MARRIED TWICE FRANCES 1540 and ELIZABETH 1560**

Richard (#8005) was buried 22nd Oct 1562 Little Waltham

Elizabeth was buried 14th Aug 1568 Sandon. Sandon is a few miles south of Chelmsford and Little Waltham a few miles north. They are about 7 miles apart.

They had a son Thomas around 1540. And Richard (#8023)

G4 =====

RICHARD WOODLEY (G4 - CHELMSFORD)

Richard (#8023) There is no record of this person except that he is named as father of Richard (#8011) bapt 9th July 1559 and Edmund bapt 29th April 1561, so he was probably born 1540 and married 1559. He was probably also father of Henry (#8012) born 17th July 1563 in Chelmsford

Children : Richard #8011, Edmund #8028, Henry #8012

CLEMENT WOODLEY AND ANN (G4 - GREAT TOTHAM)

There is no record of this person except that he is named as father of Clemente born 1557, so he was probably born 1540 and married 1559. Gt Totham is 12 miles east from Chelmsford Sandon is nearer Chelmsford and Wickford St C is south of Chelmsford

Children : Clemente

In addition there are some other G4 contemporaries :

- .1 Christopher born c 1556 who married Jone Richmond at Wickford St Catherine on 24th Jan 1576
- .2 Richard bapt 1561 in Sandon (this could be Richard #8011 b 1559')
- .3 Ellin bapt 1st April 1565 in Sandon

EDMUND WOODLEY (G5- CHELMSFORD)

Edmundus (#8028) died 27/06/1597, Essex

RICHARD WOODLEY SNR AND AGATHA (G5-RICKLING)

Richard Woodley {#8011) bapt 9th July 1559 possibly **son of Richard** #8023 of Chelmsford, but note that Rickling is near Debden and Newport

whereas Chelmsford is a long way away, *so in that sense he is more likely to be a son of THOMAS (#6100) OR WILLIAM (#8007) both of Debden and Henham.or anyone in Henham.; He is unlikely to be son of John #601 /Anes Cannon because there is no Richard in that John's will.*

So we will have to accept the unlikely step from Waltham to Rickling.

Married Agatha (#8044)

Child : Richard (#6300) born c 1580.

G5A =====

RICHARD WOODLEY THE ELDER AND MARY (G5A -RICKLING)

There is some confusion here and genealogy suggests this generation is at least necessary.

Richard Woodley the Elder (#6300) born 1580

Married Mary {#6302) around 1600

Richard died 1633 after leaving an important will..

Will of Richard Woodley the elder of Rickling, Essex 1633

According to this, Richard the elder (#6300) left a will and his children were Richard, John, Thomas, James, Henry, Benjamin, all likely born 1580 to 1610. Richard the elder likely born around 1580. Rickling is near Henham, Newport and Debden.

It could be that there is an additional missing generation to be inserted here The male's name would of course be Richard as well adding to the confusion. This Richard probably married a Mary.

CHILDREN OF RICHARD (#6300)

Bear in mond that all of these children could potentially have been baptised around the age of 10.

.1 James Woodley (#609) married 30th April 1633 in Gt Chesterford to Elizabeth Felsted (#610). Elizabeth was bapt 9th Aug 1608 dau of George and Grace Felsted in Gt Chesterford. There is no trace of James' birth record. They may have had a son James (#7100) in Much Hadham.some 20 miles away, the distance creating some doubt.

.2 Benjamin (#615) (X) married 19th Apr 1627 Little Chesterford to Cara Smythe (#616). Children include Ann (#619) bapt 3rd July 1628 at Great Chesterford who married William Cox (#620) on 10th Feb 1656 and Elizabeth (#621) bapt 16th Apr 1633 at Gt Chesterford who married Thos Poole (#622) on 17th Feb 1660. Benjamin died 30th Nov 1662 in Gt Chesterford. Cara or Chura died 1st Jul 1666 in Gt Chesterford

.3 Richard (#613) , bapt 19th Oct 1600 in Chelmsford St Mary, Chief Constable of Uttlesford, married 4th Feb 1627 in Chickney to Anna Collin (#614), child of Richard Collin, bapt Mar 1600 Chickney. They lived in Widdington. Children were Richard (#618) bapt 15th Jun 1630, Matthew (#4013), Mary (#909). 1645.
Richard (#613) died 1635 or 1646 in Chickney.

This is the earliest Woodley family in Widdington.

.4 [John #8600 married Bridget \(#8601\) in Widdington](#)

.5 Henry (#9605) disappears from the record - perhaps migrates to London with his £30

.6 Thomas

They are yeomen, relatively prosperous and all is well except for the small matter of the English Civil War going on in the background. The county is noted for non-conformist Protestantism so would have sided with Parliament. Apart from a Royalist uprising in Colchester, quickly suppressed, Essex remained quiet, and anyway Saffron Walden was the southern headquarters of Cromwell's New Model Army.

G6 =====

JOHN WOODLEY OF WIDDINGTON AND BRIDGET (G6 -WIDDINGTON)

[John #8600 was the eldest son of Richard of Rickling \(#6300\)](#)

John Woodley (#8600) probably born c 1600, a yeoman from Widdington, Essex, England, died in 1644. When he wrote his will in 1644, he had one child, Margaret Woodley, and his wife Bridget (#8601) was pregnant. He was probably a fairly young man when he died (before 1671) and it is not inconceivable he died in the Civil War.

For the information which follows we are extremely grateful to the anonymous poster of :

<https://www.geni.com/people/Bridget-Woodley-Bingham-Watson/6000000041037577542>

They had two daughters

- .1 Margaret who married Benjamin Scott. She died in America in 1682
- .2 Bridget who married Bingham and later, in America William Watson. She died in America 1702.

Margaret Woodley, John's daughter, born around 1630 was a Quaker from Widdington, Essex County, England. She is mentioned in several documents which are described on the Essex - Essex Archives Online Web site.

Constables' presentment for Widdington, created on 27 March 1671 (part of Calendar of Essex Assize File [ASS 35/112/3], Assizes held at Brentwood 26 July 1671), states that Margaret, wife of Benjamin Scott junior, was absent from church. (*Because she was a Quaker, she did not attend the Church of England.*) Deed to declare the uses of a fine, created on 19 June 1671, mentions Benjamin Scott junior of Widdington and his wife Margaret and Bridget Bingham of Newport, widow, and states that they were both daughters of John Woodley, late of Widdington, yeoman, deceased. Another document, included in Calendar of Essex Assize File [ASS 35/113/3], Assizes held at Chelmsford 15 July 1672, mentions Margaret, w. of Benjamin Scott, and many other people who did not go to church.

1670-71 For two years in a row, 1670 and 1671, the constables for Newport, Essex, presented Bridgett Bingham, the wife of James Bingham, for absenting herself from the parish Church. In 1670 it was for "three seuerall sondayes last past" [1] In 1671, named a widow, Bridgett Bingham was presented again for absenting herself from church for 4 Sundays.

This would have been a concern to the wider family as her deceased uncle Richard (#613) had himself been the local Chief Constable.

The England & Wales, Quaker Birth, Marriage, and Death Registers, 1578-1837 database on Ancestry.com includes records from the Monthly Meeting of Thaxted. These records contain information about children of Benjamin and Margaret Scott as follows:

John, born on the 27th day of the 7th month 1668

William, born on the 22nd day of the 8th month 1671, buried on the 1st day of the 8th month 1676

Margret, born on the 17th day of the 7th month 1673

Martonn, born on the 4th day of the 7th month 1676

Bridget, born on the 16th day of the 4th month 1679

In 1681, Benjamin and Margaret Scott, their children, and Margaret's sister Bridget Bingham left England and settled in Burlington, West Jersey, Province of New Jersey. Birth records from the Burlington Monthly Meeting, found in Early Church Records of Burlington County, New Jersey, Vol. 1 by Charlotte D. Meldrum (Westminster, MD: Heritage Books, 2007), contain information about one more child of Benjamin and Margaret: daughter Elizabeth, born on the 7th day of the 5th month 1681, on board the ship Henry and Ann at Gravesend.

Margaret Scott died on the 26th day of the 10th month 1682.

Here are some more records from America.

1675 John Bingham, citizen and goldsmith of London, purchased 1000 acres of John Fenwick in 1675 and removed to Evesham, Burlington County, where he lived with Bridget Bingham, his second wife, daughter of Benjamin Scott, in the early 1680s. [5]

1681 Widow Bridget Bingham was a passenger on the Henry and Anne from Gravesend England, bound for the Delaware Valley in July and was present at the birth of Elizabeth to Margrett and Benjamin Scott at Graves End. [6]

1681 Bridget Bingham was present at the birth of Sarah to William and Ann Peachee at ye nursery on 23 of first month 1681.

1687 On 8 of month 8, at the Chesterfield monthly meeting [New Jersey], "William Watson declares his intentions to take to wife Bridget Bingham, the lord permitting." [7]

1687 On 3 November, William Watson and Bridget Woodley made their second declaration of intention to marry, as recorded in the Chesterfield, Burlington County, monthly meeting minutes. [8] On 3rd day, 9th month, "Marriage of William Watson and Bridget Bingham accomplished." [9]

1687 Widow Bridget Bingham married William Watson of Nottingham. [10] William Watson already had four children from a previous marriage. Bridget assigned, to her son James Bingham, her right to 200 acres purchased in 1684 from Benjamin Scott. [11] [12]

1687 Nov 30. Endorsement Bridgett Bingham, widow, assigns the "within mentioned" land to her son James Bingham. [13]

1688/89 On 21 February, Thomas Foulke, son of Thomas Foulke, of Chesterfield, married Elizabeth Curtis, daughter of John Curtis, of Ogston, at Chesterfield. Witnessed by William and Bridgett Watson and others. [14]

1691 Nov 4. James Bingham (the son of Bridget) assigns the "premises within written" to John Scott. [15]

1695 On 1 month [March], day 25, William Watson was listed among the residents of Nottingham Twp, Burlington County. [16]

1702 On 3 of month 4, Bridget Watson, wife of William Watson, was buried in Nottingham, New Jersey. [17]

BENJAMIN WOODLEY AND CARA SMYTHE (G6-GT CHESTERFORD)

Benjamin #615 born c 1608 died 1662 Gt Chesterford

Cara Smythe #616 b c 1608 died 1666 Gt Chesterford

Married c 1627

CHILDREN OF BENJAMIN (#615) AND CARA SMYTHE (#616)

.1 Ann Woodley (#619) bapt 3rd July 1628 in Gt Chesterford, and married William Cox or Coe (#620) in 10th Feb 1656 in Great Chesterford. Ann is likely to be daughter of Benjamin Woodley and Cara Smythe of Little Chesterford.

.2 Elizabeth Woodley (#621) bapt 16th Apr 1633 married Thomas Poole (#622) on 17th Feb 1660 in Great Chesterford. Elizabeth is likely to be the daughter of Benjamin Woodley and Cara Smythe.

.3 John Woodley (#8057) married Elizabeth Hantler (#8058) on 1st Nov 1641 in Littlebury. Littlebury is very near the Chesterfords, esp Little Chesterford, so John could be son of Benjamin and Cara of Little Chesterford or of James and Elizabeth of Gt Chesterford

RICHARD WOODLEY AND ANNA COLLIN (G6-WIDDINGTON)

Richard #613 and Anna Collin #614 both born c 1600 and married 1627 Chickney

Anna Collin had a brother William Collin who lived in Chickney (see Richard's will)

Richard (#613) , bapt 19th Oct 1600 in Chelmsford St Mary, Chief Constable of Uttlesford, married 4th Feb 1627 in Chickney to Anna Collin (#614), child of Richard Collin, bapt Mar 1600 Chickney. They lived in Widdington. Children were Richard (#618) bapt 15th Jun 1630, Matthew (#4013), Mary.

Richard (#613) died 1635 or 1646 in Chickney.

Children :

.1 Richard (#618) bapt 15th Jun 1630 , son of Richard Woodley and Anna Collin of Widdington married Dorothy (#624) in 1645. Dorothy died 10th Aug 1683 Manuden

.2 Matthew (#4013) bapt 1629

It is suggested that Matthew had a son John#? who married Mary Shell #8065 in 1678 but this marriage is an enigma

There was also Mary Woodley married Henry Hammond in 1656 who might well be a daughter.

JAMES WOODLEY AND ELIZABETH FELSTED (G6-MUCH HADHAM)

James Woodley #609

Elizabeth Felsted #610

They were married in 1633 in Elizabeth's home village of Gt Chesterford, but it is not impossible that they settled further south in Much Hadham.

Child :

James Woodley (#7100) born 1637, bap 20th Sept 1637 in Much Hadham, "son of James and Elizabeth". Now the most obvious Gen 6 James and Elizabeth were James (#609) Woodley and Elizabeth Felsted (#610).

RICHARD WOODLEY AND DOROTHY (G7-WIDDINGTON)

Richard Woodley (#618) was born 1628 and baptised 15th June 1630 in Widdington, son of Richard Woodley (#613) and Anna Collin (#614). He died in Widdington in Sept 1675.

Richard #618 married Dorothy #5002 around 1644 There is no record of the marriage to, or the death of Dorothy

There is a will by Richard #618 dated 1673 mentioning Richard, James and Matthew in that order.

THE WILL OF RICHARD WOODLEY 1673

This is the will of Richard Woodley (#618) the elder yeoman of Widdington

His beneficiaries are

.1 Dorothy, my wife

.2 Richard, my son

.3 James, my son

.4 Matthew, my son

.5 Sarah Savill, my daughter wife of Thomas Savill of Manuden

.6 cousins Nicholas Collin and John Collin, sons of my cousin William Collin of Chickney

.7 John Farklyn of Manuden

He clearly was still married to Dorothy in 1673. Since he died in 1675 it is impossible that he later married Elizabeth and Frances Eve!

Richard and Dorothy had three sons and a daughter

.1 James (Jacobus) (#907) of Widdington 1644-1728, son of Richard (no mother specified), married Frances (Francesca) Strane or Stacie (#908) in Dec 1681 in Widdington. **Another entry in a Gt Hallingbury church record has the name Stacye written very clearly for once, suggesting this is the correct surname.** Frances Stacie or Stain was bapt 11th July 1644 in Gt Hallingbury (Hallingburie Mag) , father Henry. With the mother unspecified it could be that Dorothy died during this childbirth in 1644.

Frances died 1721. They had a daughter Sarah (1682-1714)

**THE WILL OF JAMES WOODLEY OF NEWPORT,
GENTLEMAN DATED 1727 PROBATE 1728**

This is the will of James Woodley (#907) (1644-1728)

His beneficiaries were :

.1 Elizabeth Savill, daughter of Richard Savill (#920) of Widdington, yeoman.

.2 Robert Savill and Thomas Savill the two sons of my cousin Richard Savill (#920) of Widdington

.3 Matthew Woodley, nephew (#911)

.4 John Woodley, cousin (probably #1004)

.5 Elizabeth (probably #8258) the wife of my cousin James White

.6 Sarah King and Mary King daughters of Samuel King of Elsenham

.7 Richard Woodley, cousin (probably #901)

.8 Children of William Symonds of Arkesden

Note that James was a gentleman (and had no land, but had means) whereas Richard Savill was a yeoman (and owned land). Note also James White, who is mentioned earlier in the land transaction. It is implied that James Woodley had no children.

.2 Matthew (#904) 1645-1718, bapt 21st Feb 1645 son of Richard *and Elizabeth*, married Elizabeth Searle (#905)

See file [mathew_woodley-elizabeth_searle](#)

.3 Richard (#901) 1650-1679, son of Richard #618 and unspecified mother, married Frances Eve and Elizabeth Leighton (#903) (his second marriage). **But note that James refers to him as a cousin.**

ERROR

This Richard (#901) could very well be Richard (son of Richard and Elizabeth) born 1656 who first married Mary (#8259) and had three children Mary (#8256) 1683, Richard (#8257) 1689 and Elizabeth (#8258) 1684 but that doesnt fit with his second marriage in 1683 unless the baptisms were much later than the births!

.4 Elizabeth Woodley (#8340) born in Widdington around 1650 who married John Banks (#8342) in 1673. She could well be another child in this family.

.5 Mary or Sarah (#909) 1645-1700, married to Edward Savil (#910) on 14th Oct 1665 in Manuden. They had a son Richard Savil (who died 1767

.6 Sarah Woodley married Thomas Savill.

Richard senior may also have had a daughter Dorothy with his wife Dorothy. The daughter died and was buried 20th Aug 1683 in Manuden

=====

RICHARD WOODLEY AND (1) FRANCES EVE (2) ELIZABETH LEIGHTON (G8-WIDDINGTON)

This is probably Richard (#901) bapt 1650, possibly born 1646, son of Richard #618 and Dorothy.

He married Frances Eve (bapt 1637) **before the court roll of 1668** and then Elizabeth Leighton in 1683 in London

Frances Eve (#623) was baptised 20th Dec 1637 in Gt Hallingbury (11 miles from Widdington) to Henry Eve and ?Joan Caxton. Frances had sisters Anis (1640) and Jane (1643). She appears to have had a substantial dowery of property.

They married on 14th May 1657 in St Mary the Virgin Saffron Walden.

There was a court roll of 1668 which records a large land sale by James White, Richard Woodley and his wife Frances. This is interesting because

(a) they had quite a bit of land around Rickling and (b) because the wife appeared to be an equal partner in the deal, suggesting she retained her personal wealth after marriage, which further suggests she had been widowed before marrying Richard.

The second marriage 18th Apr 1683 to Elizabeth Leighton was at Dukes Place London, both were widowed at the time, so no marriage bond was needed

THE EVE FAMILY

Henry Yve was baptised 4th Jan 1561 in Gt Hallingbury

Gt Hallingbury is a mile or so south east of Bishops Stortford

Henry Eve was baptised 9th Dec 1604 in Gt Hallingbury

Frances Eve was baptised 20th Feb 1637 in Gt Hallingbury to Henry Eve. Frances had sisters Anis (1640) and Jane (1643). She appears to have had a substantial dowery of property while married to Richard Woodley.

THE STACIE FAMILY

Henry Stacie was born 1607 Gt Hallingbury, son of John Stacie. He was buried 17th Nov 1670 Gt Hallingbury

He had two daughters

Frances Strane or Stacie (#908) bapt 11th July 1644 Gt Hallingbury, married James Woodley (#907) of Widdington in Dec 1681, though they were both 37, suggesting they might both have had previous marriages.

Susan bapt 19th Apr 1647, married Robert Hunsdon 8th Mar 1697 in Gt Hallingbury. She was 50. Another second or third marriage?

THE MATTHEW WOODLEY COUSINS

Richard #618 and Matthew #4013 were sons of Richard Woodley #613 and Anna Collin #614.

Cousins :

.1 Matthew #904 (son of Richard #618) who married Elizabeth Searle.

.2 Matthew #6400 (son of Matthew #4013) who married Ann Row.

WIFE (3) MARY CLARK

Matthew then married Mary Clark (#1102) on 28th Oct 1717 at Dukes Place in London after issue of a marriage bond (rather than after reading of banns)

The third marriage was by marriage bond instead of by banns. This meant they could marry in a fashionable, or maybe discreet, London church without having banns read locally, by signing a bond that all was proper. His uncle Richard 1650 had used the same church. There were no children from the third marriage

G10 =====

RICHARD WOODLEY AND ELIZABETH SANDFORD or SAMFORD (G10-MANUDEN)

Richard Woodley (#801) was born 1703 and baptised 23rd April 1703 son of Richard Woodley and his first wife Rebecca Wood at Manuden, Essex. See file R5

Elizabeth SANDFORD (#802) was chr 16th Aug 1707 to Richard and Elizabeth Sandford in Willingale Doe.

Richard Woodley and Elizabeth SAMFORD were married 12th Apr 1727 in Good Easter, a small village in Essex.

They lived in Manuden. Both Willingale Doe and Good Easter are about 15 miles from Manuden.

Richard Woodley and Elizabeth Samford had around eight children though this is disputable. Re-use of christian names implies the earlier child had died as an infant.

CHILDREN

- .1 Elizabeth (#806) 1728, bapt 3rd Jun 1728 to Richard in Manuden
- .2 Rebecca (Rebeccha) (#807) 1730, bapt 21st Apr 1730 to Richd and Eliz Manuden
- .3 Richard (1) (#804) born 1731, died 1732, bapt 15th Feb 1731 to Rich and Eliz Manuden
- .4 Richard (2) (#000) bapt 1st May 1733 to Rich and Eliz Manuden
- .5 Richard (3) bapt 11th Nov 1734 to Rich and Eliz Manuden, buried 17th Jun 1734
- .6 Ann (#809) chr 2nd May 1737 to Rich and Eliz Manuden

James (#808) 1738 though there was a James Woodley bapt 30th May 1738 to 'John and Frances' in Manuden. See file [john_woodley-frances_hammond](#)

John (1) (#810) chr 7th Jun 1738 ???

Richard (4) (#803) chr 30th Jan 1739 in Manuden "to Richard and Elizabeth"-

.7 John (2) (#810) chr 30th Jan 1739 in Manuden,"to Richard and Elizabeth" almost certainly married Mary Grey in Saffron Walden 21st Feb 1758

See file [john_woodley-mary_grey](#)

Note that there was another John Woodley bapt 6th Jun 1740 in Manuden, possibly son of William and Emma of Radwinter

ADDITIONAL RECORDS FOR MANUDEN, POSSIBLY INFANT MORTALITY

- .1 Gertrude (#8337) died 23rd July 1726 Manuden

.2 Frances (#8338) died 27th sep 1736 Manuden

.3 George (#8339) died 9th Feb 1741 Manuden

G11 =====

JOHN WOODLEY AND MARY GREY (G11-SAFFRON WALDEN)

John Woodley who married Mary Grey was either

.1 bapt 27th Dec 1732 in Manuden to John Woodley and Frances Hammond - but this John Woodley probably married Mary Mickley in Berden, near Manuden in 1759.

.2 bapt 7th Jun 1738 in Manuden to Richard Woodley and Elizabeth Sandford - but he probably died in infancy

.3 bapt 1726 to an unmarried Elizabeth Woodley (dau of Thomas and Elizabeth Woodley) of Gt Bardfield

.4 (#810) bapt 30th Jan 1739 to Richard Woodley (#801) and Elizabeth Sandford (#802) of Manuden

Option 4 seems most likely. Great Bardfield is slightly further from Saffron Walden than is Manuden.

Mary Grey (#1405) chr 21st Mar 1730 in Wimbish to James and Mary Grey . She had two brothers - James 1725 and William 1727.

John Woodley and Mary Grey were married 21st Feb 1758 in Saffron Walden (5 miles from Wimbish), though there is another record of John Woodlee marrying Mary Grey 30th Nov 1766.

There was a contemporary John Woodley who married Martha Everitt in Radwinter but he was the son of William and Emma of Radwinter and only a distant relation

CHILDREN

William (#401) 1759.0907 who married *either Ann Gipps or Gibbs (#) or more likely* Sarah Dearsley (#402) 8th Feb 1784 in Saffron Walden..

It is now much more sensible to believe that this William (#401) 1759 married Sarah Dearsley (#402).

ROBERT WOODLEY AND ANN WATTS (G12-LITTLEBURY)

This was probably the first Woodley family to settle in Littlebury.

Robert Woodley (#719), (1763-1832) chr 27th Nov 1763 son of John Woodley (#810) and Mary Grey (#1405) who were married 1758

Ann Watts (#720) 1765-1838 dau of Thomas 1735 and Sarah Watts

MARRIAGE

Married 23rd March 1787 in Saffron Walden

CHILDREN

- .1 Sarah 1786, married Haley Freeman**
- .2 Rebecca 1790**
- .3 John 1790, married Hannah Stubblefield**
- .4 William 1794, married Amy Woodley**

.1 Sarah (#2601) 1786-1808 bapt 2nd Mar 1788 Littlebury married Haley Freeman (#8418) 1782-1835 on 2nd Nov 1807 and had one child Sarah 1808 who died soon after birth

.2 Rebecca (#2602) bapt 24th Jan 1790 in S/W to Robert and Ann
Note that there was another Rebecca Woodley born 5th March and bapt 19th Mar 1792 in Saffron Walden to John Woodley and Mary Archer.

.3 John Woodley (#4036) 1791 labourer of Littlebury married Hannah Stubblefield (#4037) b 1796 Duxford on 22nd Oct 1813 Saffron Walden or Littlebury. In the 1851 census he is listed as widower despite living with his wife Hannah. A second marriage? His first marriage could NOT have been to Sarah Buttle in Radwinter.

see John Woodley and Hannah Stubblefield

ONE POSSIBILITY : JohnA marries Sarah Buttle and JohnB marries Hannah Stubblefield, Then JohnB and Sarah Buttle both die circa 1840 and JohnA cohabits with Hannah Stubblefield

.4 William Woodley (#2603) (1794-1877) bapt 30th Nov 1794 to Robt and Ann married Amy Woodley (#1414) (1796-1875) on 3rd Nov 1817 in Littlebury

See file [william_woodley-amy_woodley](#)

Amy Woodley was the dau of William Woodley and Ann Gipps or Gibbs . They were not first cousins.

WILLIAM WOODLEY AND SARAH DEARSLEY (G12-SAFFRON WALDEN)

There were two possible William Woodleys born at the right place and time.

.1 William Woodley (#1805) born in 1763 and baptised 13th May 1763 in Littlebury, the son of William Woodley and Amey Livermore

.2 William Woodley (#401) born in 1759 and baptised 7th Sept 1759 in Essex (probably Saffron Walden) the son of John Woodley (#810) and Mary Grey (#1405). **Option 2 is much more likely.**

One William married Sarah Dearsley in 1784 and the other married Ann Gipps or Gibbs in 1788, **which suggests option 2 is correct.**

Sarah Dearsley (#402)

There were a number of Sarah Dearsleys that match the required criteria so it has not been possible to identify her but the most likely candidates are

.1 the child of William and Sarah Dearsley baptised 23rd Jan 1762 in Saffron Walden - this seems unlikely

.2 the child of John and Mary Dearsley baptised 21st Dec 1760 in Saffron Walden. - even more unlikely

.3 the child of Joseph and Sarah Dearsley, baptised 24th Jun 1770 in Essex (probably Saffron Walden) - most likely

so the third option is the closest fit. Given her marriage in 1784 she is unlikely to have been born after 1768 so option 3 might have been born 1766 and been baptised 1770.

MARRIAGE

William and Sarah were married 8th Feb 1784 in Saffron Walden, and lived in Radwinter and Saffron Walden.

CHILDREN

They had several children :

.1 Thomas 1786

.2 William 1789, married Ann Carter

.3 Harriet Dearsley Woodley 1792

.4 James Woodley 1794 married Ann Richardson

.5 Ann Woodley 1802, married Joseph Webb

.1 Thomas Woodley (#8077), baptised 5th Jan 1786. in Radwinter.

This record does not appear in familysearch. It is almost certain this is NOT Thomas who married Sarah Parr (#1602) in Nottingham in 1815. That was the son of Sarah Hurd He died either 1847 or 1849 in Ashdon.

See file [thomas_woodley-sarah_parr](#)

Note that a Thomas Woodley married Ann Coote (#2903) in Radwinter on 9th Feb 1806 and then Mary Philips (#2902) on 10th Nov 1813 in Ashdon (both parties widowed). *This Thomas was either (and more likely) Thomas 1786 of this family or else Thomas Woodley bapt 17th Apr 1785 in Ashdon, son of John Woodley and Mary Weard., who married Sarah Webb 2nd Dec 1814 in Castle Camps*

SO, :Thomas (#8077) bapt 5th Jan 1786 in Radwinter "to William and Sarah" probably married (1) Ann Coote Radwinter 9th Feb 1806 (2) Mary Philips widow 16th Nov 1813 Ashdon **The only puzzle then is why Thomas was baptised Radwinter and not Saffron Walden.**

Also note that a William Woodley #3222 married Susan Coote #3223 on 22 nd Feb 1803 Radwinter. This William is presumably son of Mary Weard.

see file mary weard

See file [thomas_woodley-sarah_parr](#)

2. William Woodley (#8312), bap 22nd June 1789 "son of William and Sarah", married Ann Carter (#157) in 1808 12th Mar 1808 or 18th May 1806 in Essex.

It is possible that William died 1834 in Saffron Walden and Ann died also in 1834 in Saffron Walden, without any children, but this is speculative.

There was another **William bapt 15th Feb 1791** son of Wm and Sarah Possibly William 1789 died as an infant and William 1791 is the one who married Ann Carter.

Note: There was a James Woodley buried at age 1 (ie born 1833) on 7th April 1834 in Ashdon, This could be one of the other Ashdon contemporary families :

- .1 Joseph W and Elizabeth Caton
- .2 Thomas W and Sarah Parr
- .3 *William W and Ann Carter*
- .4 Thomas W (son of Mary Weard) and Sarah Webb

Note an 1851 CENSUS normally assigned to William Woodley and Amy Woodley thus defining their children. But this census has rightly or wrongly the name ANN not AMY so those children could belong here. The clincher here is George Woodley 1830 - was he son of AMY or ANN?.

George is son of Amy so it is the census or its transcription that is inaccurate.

There was a William Woodley who married Ann Baker in Saffron Walden 3rd Sept 1820 and this is feasibly a second marriage by William.

There was also William who married Elizabeth Samms around 1816 had children 1819 to 1829 in Littlebury - and this could also be a second marriage

.3 Harriet Dearsley Woodley (#403) baptised 28th Feb 1792 in Saffron Walden St Mary the Virgin "dau of William and Sarah". She died 24th Feb 1793 Saffron Walden

.4 Harriet Woodley bapt 15th July 1796 to Wm and Sarah, was possibly a second child died 4th Aug 1796.

.5 James Woodley (#407) baptised 10th Dec 1794, who married Ann Richardson (#408) in 1816, and was later transported to Van Diemens Land

See file [james_woodley-ann_richardson](#)

.6 Ann Woodley (#404) baptised 31st Jan 1802 Saffron Walden when her mother was 40, in Saffron Walden. She was the first wife of Joseph Webb (#405). They married 24th July 1822 and she died and was buried 8th Nov 1837.

Joseph Webb later married 'spinster' Lydia Hodson (#406) 7th Jun 1839, though Lydia already had a child Eliza, possibly with Philip Turner.

Joseph Webb's children with Ann were Emma 1828, William 1826, James 1834, Thomas 1825, Henry 1823, John 1836, Rebecca 1831.

Lydia already had a child Eliza in 1826 and then Joseph and Lydia had a child Joseph in 1843..

Curiously there is no suggestion of the Webbs assisting their sister-in-law Ann Richardson when James #407 was transported. But in the circumstances they may have kept clear of each other.

JOHN WOODLEY AND HANNAH STUBBLEFIELD (G13 -

John Woodley (#4036) 1791 labourer of Littlebury married Hannah Stubblefield (#4037) b 1796 Duxford on 22nd Oct 1813 Saffron Walden or Littlebury. In the 1851 census he is listed as widower despite living with his wife Hannah. A second marriage? His first marriage could NOT have been to Sarah Buttle in Radwinter.

ONE POSSIBILITY : JohnA marries Sarah Buttle and JohnB marries Hannah Stubblefield, Then JohnB and Sarah Buttle both die circa 1840 and JohnA cohabits with Hannah Stubblefield

Hannah could have been baptised Hetty or Priscilla, as there is no Hannah and was probably Priscilla Hubblefield bapt 8th Nov 1795 Hauxton to James and Hannah Stubblefield. Twin sisters?

However, Priscilla Stubblefield was named in a bastardy bond - 20th March 1819 while Hannah was married to John - where Thomas King and Joseph Cooper gentlemen were named as acting on behalf of another un-named gentleman.

Their children were Mary Hannah (#4038) (1816-22), John (#4041) 1818-21, Rebecca (#4040) 1822-25??, Ann (#4039) 1828, William (#4044) 1832, James (#4042) 1836, Charles (#8243) 1837, Esther (#4045) 1840 .

James #4042 married Charlotte Mallyon Woodley (#4043) in 1868 in Saffron Walden (see file 12).

Hester/Esther married James Cowell (#4046) in 1858

Rebecca (#4040) married Thomas Witby or Wilby in S/W on 22nd Oct 1844 - witnesses were Martha Bacon, Sarah Ilott, Joseph Law, George Pettitt, Rebecca Rule and James Tinworth. Two days after Rebecca's wedding, Rebecca Rule married Joseph Law accompanied by the same group of friends (Rebecca Wilby still using her Woodley maiden name!)

Amy Woodley (#1414) (1796-1875), was daughter of William Woodley and Ann Gibbs

Amy Woodley was the dau of William Woodley and Ann Gipps or Gibbs . They were not first cousins.

They were married 3rd Nov 1817 Littlebury

They were not first cousins as was thought originally At first it was thought that the William who married Ann Gibbs was son of John Woodley and Mary Grey, making William #2603 and Amy #1414 first cousins. It now seems that William who married Ann Gibbs was son of William and Amy Levermore. making William #2603 and Amy #1414 only distantly related, if related at all. Amy Woodley would have been named after her grandmother Amy Levermore.

WHO IS THIS? CHECK IN THE FULLER WOODLEY PAPER

.2 Charlotte Woodley or Mallyon (#4043) was born 1834???. It may be that she died as an infant, but there is the possibility that she married James Woodley (#4042) son of John Woodley and Hannah Stubblefield (file 15 watts) of Littlebury error on 25th July 1868 in Saffron Walden. For this she claimed to be widowed, the daughter of William Mallyon. As she was 34 when she married it is feasible she was a widow though no previous marriage can be found.

This seems to be Charlotte Mallyon #4043 born 1827!!

JAMES WOODLEY - ANN RICHARDSON (G13-SAFFRON WALDEN)

We know that James Woodley (#407) was born in Saffron Walden, Essex about 1794.

His father was William Woodley (#401) (1759-) who married Sarah Dearsley (#402) on 8th Feb 1784 in Essex, probably Saffron Walden. James was christened 10th Dec 1794, again probably in Saffron Walden.

(A lot of church records in Essex unasccribed to a particular church are in Saffron Walden)

Parents : <william_woodley-sarah_dearsley>

Ann Richardson (#408) was born 18th January 1794 and christened 9th February 1794 in Wimbish. Her parents were Francis Richardson and Elizabeth Smith (#425). (Francis Richardson was born 1762 in Wimbish, near Saffron Walden, Essex. Elizabeth Smith was born 1766. They married in 1787 in Wimbish)

In 1787 in the village of Wimbish near Saffron Walden, Francis Richardson, born 1762 Wimbish, married Elizabeth Smith born 1766. They had a daughter Ann Richardson, born 18/1/1794 and christened 9/2/1794 in Wimbish. She married James Woodley 8/7/1816 in Saffron Walden. [All IGI]

MARRIAGE

James Woodley married Ann Richardson on 8th July 1816 in Saffron Walden. Witnesses included Robert Browne and J Wisby.

In 1828 James was transported to Van Diemen's Land.

In 1837 he married Catherine Keefe, and after a divorce he married Louisa Stone in 1843. He had no need to divorce Ann Richardson as his transportation without his wife constituted a divorce.

CHILDREN

James and Ann had five children

.1 Rebecca 1817, married James Malyon in 1833

.2 John (#415) b 1819 bap 1823, married Charlotte Thurgood in 1840

.3 Lydia bap 1823, perhaps married (1) a Johnstone, or at least used the Johnstone name and then (2) as a spinster, married Charles Collins, bookbinder in 1873

.4 Elizabeth b 1821 bap 1823, married James Glenister, a sailor in the Royal Navy in 1851.

.5 James 1825, married (1) Harriet Houghton in 1846 and then (2) Elizabeth Fuller (nee Osborn) in 1880.

[.3 Elizabeth Woodley](#) (#414) b June 1821, chr 21st December 1823 (the same day as her brother John)

She should not be confused with Elizabeth (Betsy) Woodley christened 12th August 1821, daughter of John and Sarah.

In 1851 she was living in St Marylebone and she married James Glenister (#426) 25th August 1851 at All Souls St Marylebone. On the marriage certificate James is described as mariner, son of James Glanister labourer and Eliza is described as daughter of James Wooley deceased. It is possible that James Glenister was in the Royal Navy, because the only Glanister family I could find was in Chatham, and by the age of 45 he was living on a pension, and certainly he does not appear in census returns at all until 1871. (From 1859 all ratings in the Royal Navy for 20 years were entitled to a pension. This typically was paid at age 38 or 43 depending on age at joining).

[.4 Lydia Woodley](#) (#413) b c 1823, chr 21st December 1823. In 1851 Lydia, by then perhaps Lydia Johnstone, was living with her sister Eliza in St Marylebone. There is no record of her marriage. On 27th April 1873 in St Marylebone Lydia apparently married Charles James Collins (#421) a widower and bookbinder, (and son of Charles Isaac Collins a butler). She was described as spinster. They had been neighbours since 1861.

after her husband James' transportation

.1 Emma Woodley(#410), b 9th March 1834, accepted
by John Mallyon as his child but she continued to
use the name Woodley. She worked a a needlewoman.

Emma probably died in 1860 though there is a small possibility she married Harry Barker in 1880.

John Mallyon was chr 9th May 1790 to Thomas and Susannah. He had a child James Mallyon chr 19th May 1813 with an Anna. James Mallyon (son of John and Anna Mallyon) married Rebecca Woodley (daughter of James Woodley and Ann Richardson) 3rd Jun 1833 in saffron Walden.

Bastardy bond - "John Mallyon on 5th Aug 1833 was named as putative father of a child of Ann Woodley, wife of James Woodley transported."

MID-LIFE

Ann Woodley, Charlotte Augur, Lydia Augur all appear in the records of the Saffron Walden Workhouse.

James Woodley was sentenced at Essex County Assizes and transported on 29th April 1828. He sailed on the Woodford. He got a ticket of leave published in the Hobart Town Courier Friday 13th Jan 1837 and was given a conditional pardon published in The Courier (Hobart) 14th October 1842

DEATHS

James Woodley died in Van Diemen's Land in 1874 at the age of 78.

WILLIAM WOODLEY AND (1) ANN CARTER (2) ELIZABETH SAMMS (G13 - LITTLEBURY/RADWINTER)

Littlebury is very close to Saffron Walden and Great Chesterford.

William (#8312) born 1791 Littlebury

The following were all christenings of William Woodley near Saffron Walden :

William 1783 Ashdon to John and Mary (Weard)

William 1787 to William and Mary in Radwinter

William 1787 to William and Hannah Ely probably in Mistley, Harwich

William 1789 to William and Sarah probably in Saffron Walden (Sarah Dearsley)

It would seem the most likely match for this case is William 1791 son to William Woodley #401 and Sarah Dearsley #402

Ann Carter (#157) was born 1783 (findagrave record) and was buried Ashdon 31st May 1812. aged 28 or 29

Elizabeth Samms (#8297) bap 20th Apr 1788 born 13th Feb 1787 Littlebury

MARRIAGE

William married Ann Carter 18th May 1806. She died 1812.

There are no records of Elizabeth Samms's birth or marriage, only the census records.. They must have married about 1816.

It is considered that this William could easily have married Ann Carter in 1806, then Elizabeth Samms in 1816 He **could not** have married Ann Baker as once supposed.

CHILDREN OF WILLIAM WOODLEY AND ELIZABETH SAMMS

Thomas may then have married Mary Philips in 1813

Note that a Thomas Woodley married Ann Coote in Radwinter on 9th Feb 1806 and then Mary Philips on 10th Nov 1813 in Ashdon (Thomas widower, Mary single) This Thomas was either (and more likely) Thomas 1786 of this family or else Thomas Woodley bapt 17th Apr 1785 in Ashdon, son of John Woodley and Mary Weard., who married Sarah Webb 2nd Dec 1814 in Castle Camps

There is no record of the death of Mary Philips-Woodley though there is no Mary Woodley of the right age in 1841 or 1851 censuses suggesting she died before 1841.

Also note that William Woodley #3222 married Susan Coote #3223 on 22nd Feb 1803 Radwinter. This is not Thomas' brother. William #3222 is more likely son of John Woodley and Mary Weard

JOHN WOODLEY - CHARLOTTE THURGOOD (G14-SAFFRON WALDEN)

John Woodley (#415,##6.32), a farm labourer, son of James Woodley and Ann Richardson, was born in Essex around 1818

"John Woodley, bapt 21st Nov 1823 in Saffron Walden parish church, born June 1819, son of James and Ann".
(John's sister Eliza (born June 1821) was baptised the same day.)

Charlotte Thurgood (#420,##6.31), daughter of Abraham Thurgood, born around 1822, christened 17th April 1822, in Saffron Walden Essex "daughter of Abraham and Sarah".

Her parents, Abraham Thurgood and Sarah Chapman were married 13th November 1817 at Saffron Walden Parish Church. Abraham Thurgood died 1825 and was buried at the non-conformist church in Saffron Walden 19th Oct 1825.

Be aware that there was another Charlotte Thurgood, born 1821 living in Cuckingstool St, Saffron Walden in 1841, but she was a Thurgood only by reason of marriage to William Thurgood and is unrelated.

MARRIAGE

John and Charlotte were married 20th August 1840 in the Congregationalist Abbey Lane Meeting House in Saffron Walden. Their witnesses were James Adams and Maria Jeffery, (though apparently also mentioned are John Cowell, Mary Dennison, Martha Perry and John White).

John Woodley, bachelor full age son of James labourer, to Charlotte Thurgood spinster, a minor, dau of Abraham weaver
20th Aug 1840 in Abbey Lane Chapel, Saffron Walden
Certificate witnesses : James Adams, Maria Jeffery
Other witnesses : John Cowell, Mary Dennison, John White

There are two possible hits for James Adams - (1) single born 1816 living in Little Walden, and (2) married born 1811 living in Castle Street.

There are three possible hits for Maria Jeffery - (1) b 1819 living in Elmdon (2) b 1811 living in Gt Sampford and (3) b 1821 living in Great Chesterford

John White was born 1796 and lived in Castle Street Saffron Walden in 1841

John Cowell was born 1821 and lived at Butter Market Saffron Walden in 1841

The name Mary Dennison was common locally so no definite hit is possible.

The Public Record Office in London holds the contemporary records of the Abbey Lane Meeting House, and these indicate that this was the church for a large number of the Thurgood clan living in Saffron Walden. Abbey Lane Meeting House is still in use. It was founded 1665 and the present building dates from 1811. It is now the United Reformed Church.

CHILDREN

John and Charlotte had four children

William (#422) 1840
Louisa (#517) 1842
James (#516) 1844
Eliza (#514) 1846

Four months after the wedding, on 13th Dec 1840, they had a son called William (#422) <[1841_william_woodley.jpg](#)>. Hasty marriage was very common in rural areas at this time. It is of passing interest that Charlotte

was unable to write her name and had to make a cross on William's birth certificate.

John, Charlotte and William lived in Castle Street Saffron Walden [1841 Census]. Castle Street still contains the cottages in use at this time. These are two storey, half-timbered colour wash cottages. in what is now a very respectable part of town. In 1838, however, according to a local guide book, 'almost every other house was a beer house and there was much drunkenness and brawling'.

John and Charlotte had a daughter, **Eliza (#514)**, on 11th August 1846 in Saffron Walden. <[eliza_woodley_1846](#)> Eliza is a key to piecing together this history, because Charlotte was staying at Eliza's home in Barking in 1881, and because Eliza was present, as a witness, at her brother William's wedding in 1862. Eliza married in 1869 to John Miller (#515), a builder, born in Stepney in 1838. [Family details : <john_miller-eliza_woodley>](#)

John Miller and Eliza had five children - Ada (1867, Mile End), John (1870, Bromley), Emily (b. 18th January 1874, at 1 Winchmore Terrace, Bromley [Cert 2]), Arthur (1876, Bromley) and Eliza D (1879, Barking) [Cert 5, 1881 census]. Note that Bromley here refers to Bromley St Leonard, just north of Poplar in what was then Middlesex.

John and Charlotte also had two more children James Joshua (#516)(7th January 1844) and Louisa (#517)(25th April 1842)

The whole family moved from Saffron Walden to Bromley St Leonard's, Bromley-by-Bow in Poplar sometime between the birth of Eliza in 1846 and the 1851 census.

Louisa (#517) married a shipwright George Randall (#518) in Q3 1864 and they lived with John and Charlotte for a time. George was brother of Maria Randall who had married William Woodley in June 1862. They had at least five children - George b. 1869, Lilly b.1870, Amy b. 1874, Florence b. 1878 and Alice b. 1880, all born in Mile End Old Town, often recorded simply as *MEOT*.

James (#516) worked as a waiter. He died unmarried at the age of 32 and was buried in 1876 at St Georges in the East.

William Woodley (#422) married Maria Randall

Charlotte Woodley (nee Thurgood) died on 15th April 1889 at 112 Rhodes Well Road Limehouse, aged 67 years, of pneumonia, as reported by her son William, present at the death, of 28 Dalglish Street. In 1891 No. 112 Rhodes Well Road was occupied by Edward Powell, a cooper born in the West Indies and his wife Isabella.

John ended his days in the Stepney Workhouse some time after 1891, probably 1898 [Poplar 1c 400]

JAMES WOODLEY AND (1) HARRIET HOUGHTON AND (2) ELIZABETH FULLER (G14-SAFFRON WALDEN)

James Woodley (#412) was born 1825 in Saffron Walden, son of James Woodley (#407) and Ann Richardson (#408)

James' early years were not good His father had been transported to Van Diemens land when he was three, and as a teenager he was a petty criminal.

On 20th October 1840 he was found guilty at the Essex County Sessions of larceny . He was sentenced at the age of 15 to 14 days imprisonment.

Despite that he became a baker and in 1846 at the age of 21 he married Harriet Houghton (#416).

The Houghton family is complex.

Harriet's mother born 1796 was married to a Houghton and had a number of children including Harriet 1821 and Ebenezer 1827 in Haverhill and Bury St Edmunds Suffolk The mother next married Edward Page on 15th Oct 1833. though still retained her maiden name in the 1841 census.

Meanwhile Harriet Houghton the daughter (#416) born 1821 in Bury St Edmunds married James Woodley (#412) in Q1 Saffron Walden 1846. with Edward Page listed as a witness

He married Elizabeth Jenette Fuller (#417) in Q4 1880. She has an interesting story. Elizabeth Fuller was born Eliza Osborn and baptised 16th Sept 1832 in the British Chapel in Boulogne to Edward and Eliza Osborn. Her father was a British army officer. (The only option I can find is Sgt Edward Osborn who in 1838 was with the Royal Forester Regt in Upper Canada. An Edward Osborn married Eliza Todington in Hornsey in 1821.

In the 1851 census she is in Nottingham at the home of a solicitor, a large household.

She next married James Woodley (#412), now a baker in Mile End. in October 1880. Their witnesses were August Granberg and Maria Holzapfel..

G9 =====

RICHARD WOODLEY AND (1) MARY (2) REBECCA WOOD (3) MARY CLARK (G8/9-STANSTED/MANUDEN)

This was probably the first Woodley family to settle in Manuden

Richard Woodley (#912) was born 1673 in Widdington and baptised 26th Jan 1674. His parents were Matthew Woodley and Elizabeth Searle ("Matthew and Elizabeth")

(2) REBECCA WOOD

Rebecca Wood (#1101) was born around 1675.

MARRIAGE

Richard Woodley and Rebecca Wood were married 14th May 1700 in Stansted Mountfichet.

CHILDREN

Richard and Rebecca had three children

.1 **Rebecca** (#1103) bap 14th Apr 1701 in Stansted Mountfichet and died 2nd Nov 1714?? in Stansted Mountfichet. She married John Moss (#8255) in Stisted in 1737.

.2 **Richard** (#801) bap 23rd Apr 1702 or 1703, married Elizabeth Sandford (#802) in 1727 in Good Easter.

[SEE FAMILY B](#)

.3 **John** (#701) bap 28th Feb 1707 in Manuden "father Richard", married Frances Hammond (#702) in 1731 or 1730 in Furneux Pelham

[SEE FAMILY N](#)

Rebecca died in 1714

(3) MARY CLARK

Matthew then married Mary Clark (#1102) on 28th Oct 1717 at Dukes Place in London after issue of a marriage bond (rather than after reading of banns)

The third marriage was by marriage bond instead of by banns. This meant they could marry in a fashionable, or maybe discreet, London church without having banns read locally, by signing a bond that all was proper. His uncle Richard 1650 had used the same church. There were no children from the third marriage

JOHN WOODLEY AND FRANCES HAMMOND (G10-MANUDEN)

John Woodley (#701), born in 1707, baptised 28th Feb 1707, "son of Richard" Woodley (#912) and his first wife Rebecca Wood (#1101)

Frances Hammond (#702), **bapt 11th Mar 1709 in Church Gate Meeting House, Bury St Edmunds, daughter of Ambrose and Rebecca Hammond.**

Another source has bap 1707 Sandon daur of William Hammond and Susannah Law, which might be more likely.

They were married in 1731 in Furneux Pelham near Manuden. They had 12 children, though several seem to have died very young given the re-use of names. Possibly only 5 matured into adulthood..Those children marked (*) specifically quote "John and Frances" as parents.

They lived in Manuden.

.1 John (#708) 1732, bap 27th Dec 1732 Manuden (*) married Mary Mickley (#7110) on 16th May 1759 in Berden, not far from Manuden and Bishops Stortford, (*There is scope for confusion with the marriage of John Woodley of Gt Bardfield and Mary Grey of Wimbish in 1758, probably in Saffron Walden.*) Their son Thomas (#1801) bap 1762 in Albury married Susannah Gregory (#1802) in Bishops Stortford in 1788, and then later married widow Hannah Law (#2805) (nee Gibbs) in 1813 in Wimbish. They also had a son John bap 27th May 1760 in Albury.

.4 Frances I (#8247) 1736, bap 8th Jun 1736 Manuden, died 27th Sept 1736, Manuden

.5 Richard II (#704) bap 18th May 1737, Manuden, possibly married Ann Ivory (#8249) 1766 in Braughing [SEE BRAUGHING FAMILY](#)

.6 James (#703) 1738, bap 30th May 1738 (*) in Manuden. *It is possible that it is THIS James who married Elizabeth Brown (bap 26th Feb 1743 in Linton, Cambs, married 21st Dec 1765 in Linton, though Linton is a long way from Manuden.*

NOTE

James son of Ann Senior 1738 Ashdon and James son of Hammond 1742 Manuden each married either Elizabeth Brown 1765 Linton or Elizabeth Flechford (#214) 1766 Essex
It has not yet been possible to decide who married who. *In fact Flechford seem more likely for THIS James #703.* Note also that the marriage record is poorly written James has been read as Havers and Stavers and

Flechford as Freshford. The most likely surname is Freshfield of whom there are many in Colchester. However the one Elizabeth Freshfield dau of Francis and Elizabeth Freshfield bapt 27/8/1739 in Colchester appears to have married in Norfolk!

.7 William (#711) 1739, bap 1st Aug 1739 Manuden (*), married Amey Livermore (#712) , 6th Sept 1761 in Little Chesterford

.12 Sarah (#707) 1748 , bap 18th Jul 1748, Manuden, [potentially married John Porter (#8252) 12th Oct 1767 in Elmdon or widower Richard Mathes (#8400) in 1778 in Danbury (or both)] died 15th July ????

Richard Woodley (#704) 1737-1773 married Ann Ivory (#8249) 1735-1803 in Braughing on 21st Apr 1756. Richard was most likely son of John Woodley and Frances Hammond.

WILLIAM WOODLEY AND AMEY LIVERMORE (G11-MANUDEN / LITTLEBURY)

William Woodley (#711) was baptised 1st Aug 1739 in Manuden to John Woodley (#701) and Frances Hammond (#702).

Amey or Amy Livermore or Levermore (#712) was baptised 26th Dec 1738, Little Chesterford, daughter of Robert Livermore (1699-1775) and Sarah Minot (1700-), one of 10 children.

William was born in Manuden, but settled in Littlebury

MARRIAGE

Amey and William were married 6th Sept 1761 in Little Barn, Little Chesterford

CHILDREN

They had three children :

.1 John (#715) (1761-1832), baptised 11th Oct 1761 Littlebury, married Mary Archer (#716) in High Easter in 1788 or 1785

See file [john_woodley-mary_archer](#)

.2 William (#1411) (1763-1883), baptised 13th March 1763 in Littlebury, married *possibly Sarah Dearsley in 1784 but more likely* Ann Gibbs or Gipps (# 1412)in 1788

See file [william_woodley-ann_gibbs](#)

.3 Mary (#717) 1765, baptised 27th Jan 1765, married Thomas Jipps (#718) in 1786

It is likely that Thomas Jipps and Ann Gipps or Gibbs were siblings,

This link makes this William #1411 more likely to be the one of several candidates marrying Ann Gibbs.

Another three children had been ascribed to them by one source but :

.4 Amey 1763 - was baptised by John and Mary (Grey?)

.5 Robert (1763-1832), married Ann Watts - was baptised by John and Mary (Grey?)

.6 Frances 1770 - there is no baptism record

It is possible that William #711 1739 died in 1765 aged 26 and that Amey then married Edward Love (#8244) in Littlebury on 9th Sept 1770. Edward and Amey had two children, John Love 1771 and Sarah Love 1772 (when she was 34)

Amey died 1783, aged 45

Susannah Gregory (#1802) was bapt 3rd Apr 1766 in Wheathamspted

They were married 27th Mar 1788 at St Michael Bishops Stortford

It is quite feasible that Thomas Woodley was the landlord of the "Rose and Crown" inn in Braughing in 1812. See his daughter Sarah below. Braughing where they lived is 7 miles from Bishops Stortford where they worshipped.

It is difficult to identify Elizabeth and the marriage.

However we find their daughter Eliza staying with Charles and Lydia Wright, and Charles Wright married Lydia Sell in 1821 in Harlow.

Now George Woodley married Elizabeth **Sell** on 16th Dec 1827 at St Leonards Shoreditch. So potentially Elizabeth and Lydia are sisters. It is of course awkward that both marriages are a bit distant from Bishops Stortford.

(G13) EDWIN FLACK AND ALICE WOODLEY (G13-CAMBRIDGE)

There is a record of this marriage in Essex at an uncertain date, sometimes represented as 1810

The only reliable reference is Edwin Flack marrying Susannah Papworth in St Andrew Cambridge in 1847.

Flack is an unusual name so he could be related to Mary Ann Flack who married William Woodley in 1816 Littlebury

SEE FILE N5F

JOHN WOODLEY AND KEZIA CAMP (G13-LITTLEBURY)

John Woodley (#1416) b 1800 bapt 24 Aug 1800 Littlebury "to William and Ann", was the son of William and Ann Gibbs of Littlebury

Kezia Gamor, Gardner, Garrard, Seamer or Steamer (#1417) (1802-1835). She had died before the 1841 census. The various attempts by transcribers to read the surname are interesting. In fact it is very possible the surname was actually **Camp**.

The most likely candidate is Kezia Camp **b 1799** of Saffron Walden Indep Ch. She was born 3rd Aug 1799 in Saffron Walden to **James** and Kezia Camp and bapt at the Bailey Lane Particular Baptist Church. As Keziah Woodley she died 4th Jul 1835 and buried 8th Jul 1835 'as a non-conformist' aged 33 (ie born **1802**) dau of **John**, obviously the age and father causing consistency problems. Even so it is the most likely option.

Note:

Sarah Woodley (#2605) (1820-1890) , daughter of William Woodley and Amy Woodley married John Camp (1817-) 25th Sep 1844 Littlebury. Sarah was a niece of John (#1416) so there is a neat connection with the Camp family.

John and 'Kezandra Gardner' were married 28th Jun 1818 in Radwinter-

CHILDREN

Of the following only James was baptised in Radwinter. We need to check exactly where the later children were baptised.

THE WILL OF MATTHEW WOODLEY 1782

This is the will of Matthew Woodley, the elder, gentleman of Stansted Mountfitchet dated 1782

The main beneficiaries of this will are:

his son Matthew Woodley

his daughter Susanna Francis

but he also leaves clear instructions for an infant child Fanny Bowlott (or Bowlers or Hewlett) daughter of Jemima 'Bowlott' to be given care until full age or marriage out of the rents of the estate at Stansted.

=====

(P) MATTHEW WOODLEY AND LETITIA STAMFORD (G12-STANSTED)

Matthew Woodley (#1206) (1753-9th Dec 1831), son of Matthew Woodley and Margaret Battel. He was a maltster and churchwarden at St Mary the Virgin Stansted Mountfichet

Letitia Stamford (#1207) (1754-17th Dec 1808, buried 24th Dec 1808), born 1754 in Stamford, Lincs (according to a letter dated 1886 by Matthew Fuller Woodley) daughter of Morris Stamford and Letitia.

They were married 3rd Aug 1775 in Stansted Mfcht.

A memorial tablet in St Mary's Stansted Mfcht reads 'Sacred to the memory of Mrs Letitia Woodley who departed this life the 17th day of December 1808 aged 51 years. Also of Mr Matthew Woodley husband of the above'.

This press notice suggest he was born 1743 rather than 1752

"ESSEX STANDARD 17th Dec 1831 - obituary
At Benfield Bower near Bishops Stortford in this county on the 9th inst. Mr Matthew Woodley aged 88. He was one of the oldest and most constant attendees at Stortford market and was universally esteemed."

And this one suggests a birth year of 1758!

"ESSEX STANDARD 24th Dec 1831 - obituary
10th inst at Stansted Mountfichet, aged 73 Mr Matthew Woodley sincerely lamented by a numerous circle of friends and relations."

If he WAS born 1753 then his true age at death would have been 78

These two conflicting news reports suggest unlikely that there were two distinct Matthew Woodley contemporaries who are easily confused. However the second may record the BURIAL rather than the DEATH

This is one list of children:

Matthew #1206. had children William, Matthew, John, Thomas, Catherine (married Daniel Gilbey), Mary (married a Banham), Sarah

(married a Shepherd), Elizabeth (who married Henry Burrows, chemist of Saffron Waldon).

And here is another :

Matthew Woodley senior had many children: William, Mary, Matthew, John, Catherine, Sarah, Thomas, Eliza and Letitia.

But this list is more definitive :

(P) MATTHEW WOODLEY AND SUSANNA BRAND (G13-STANSTED)

Matthew #1219 (17th Aug 1790 Stansted-14th May 1858 B Stortford)
married Susannah Brand in 1812 in Manuden

Matthew Woodley (#1219), b 1790 son of Matthew Woodley (#1206)
and Letitia Stamford (#1207)

Matthew was a prosperous maltster

Matthew Woodley, a farmer and maltster, inherited the cottages at Bentfield End, Stansted Mountfitchet, including Bentfield Bower, from his father Matthew. He owned them up until his death in 1858. His brother, John Woodley, and brother-in-law, Henry Burrows, then disposed of lands by sale to John's son Matthew Fuller Woodley who is living there in the 1861 census. The surrounding lands were owned in 1847 by Robert Gosling, a future relative by marriage, as Matthew Fuller Woodley's daughter Winifred Mary marries Francis William Gosling about 1890.

Susannah Brand (#1234), **dates unknown**

Matthew #1219 and Susannah #1234 married 1812 Manuden. Susannah apparently died young and they had no children

John Woodley (#1222) born 1793, son of Matthew Woodley (#1206) and Letitia Stamford (#1207)

Sarah Fuller (#1223) b 1794

Married 2nd Apr 1816 in Beachamwell Norwich

John Woodley was born Stansted, c1792. His wife's name was Sarah Fuller born c1793 Beechamwell, Norfolk and at the time of their marriage, 1816, he is noted as from Aldgate, where the Woodley family had houses at Crutched Friars and Aldgate High Street. Later they lived at Or(x)ford House, Common Lane in Walthamstow, one of his brothers having a property at Upper Clapton. Sarah died on 20 Dec 1856 in Brighton, two years to the day before John who had moved from Regent's Park, London back to Brentwood, Essex.

John's father was Matthew Woodley #1206, died 1832, and grandfather also Matthew Woodley, died 1782, both being buried at St Mary the Virgin, Stansted Mountfitchet.

John's wife's name was Sarah Fuller born ~c793/4/5 in Beechamwell or Beachamwell, Norfolk and at the time of their marriage (Dec 1816) he is noted as from Aldgate. I think he may have lived at 7 Crutched Friars, St Olave Hart Street, London.

His brother was Matthew Woodley, a maltster (brewer) and farmer of Bentfield Brewery, Stansted Mountfitchet. Other siblings were William Matthew Woodley who died in 1828 in Aldgate, Thomas Stamford

The house was featured in an article in The Times 22/08/2025.

"No.14 had become the home of the 81-year old widow Caroline Woodley. At the time of the (1881) census she was in the house with her grand-daughter 17-year-old Caroline Smith, her companion Mary Nelson 72, a doctor 71-year old William Gaye, and a domestic servant Ellen . She had been married to a tea dealer, Thomas but after his death in 1860 she had lived in several addresses in and around south London. Caroline Woodley died two years later in March 1883."

(P) MATTHEW ('BALTHAM") FULLER WOODLEY AND LUCY BEDFORD ALLEN (G14-WEST HAM)

Matthew Fuller Woodley (#2101) bap 1833 son of #1222 and #1223 was a prosperous corn factor, and member of the Constitutional Club in Charing Cross.

One of the Matthew Woodleys brought a case against a turnpike toll road man. who insisted on payment despite the fact that Matthew was only TRAVERSING the turnpike road rather than riding along it.

Matthew was also a sponsor of a prize at the Bishops Stortford Fair to the longest-serving servant (non-agricultural) to one master. The prize was just over £1.

Married in West Ham in 1855

Matthew Fuller Woodleys daughter Winifred Mary married Francis William Gosling , another local landowner, about 1890.

Matthew Fuller Woodley (known as 'Baltham') (#2101) (1833 Stansted-1911 Cuckfield), was bapt at St Olave, Hart St, London, and Lucy Bedord Allen (#2102) b 1835 Walthamstow or Feltham, married in 1855 in West Ham.

Matthew was a prosperous corn factor and member of the Constitutional Club, Charing Cross

Matthew was a churchwarden at St Olve's Hart St, City of London 1871-3. When his father John died he erected a monument in the church which apparently depicts the 'Woodley' coat of arms - though cheekily not his family's but that of the Devon Halsanger clan.(depicting an owl).

There are no obvious descendants of these families beyond G6, though Woodleys re-appear in this area several generations later.

The gap from 1620 to 1746 is probably simply the loss of certain record books or due to the mis-spelling of Woodley

THOMAS WOODLEY AND SARAH HURD (G11-OCKENDON)

Note that there was a family called **Wadley** in Aveling near Ockendon around 1758.

Thomas Woodley (#8462) born prob around 1750.

There was a Mary Woodley bapt in 1785 in Orsett, dau of John and Ann. This indicates a separate unknown John (and Ann) living in the Orsett area married around 1780, probably brother of Thomas (#212)

Orsett is 15 miles from Ingatestone, the closest place with earlier Woodley origins, so John and Ann could be from the Ingatestone family. There are no obvious records of Woodleys in Orsett/Ockendon before 1780.

Sarah Hurd (#1901) There were a lot of Sarah Heard/Hurd born around 1760 in this part of Essex - at least seven. The most likely is Sarah Heard bapt 21st Aug 1763 Woodham Walters, though this is some way from South Ockendon. Note that HEARD is the more usual spelling.

They were married 6th Oct 1782 in South Ockendon, *although an alternative source has 14th Oct 1782 in Stifford, very near South Ockendon*, and also attended church in Orsett 4 miles away over fields or 6 miles by road, unless the Orsett family are separate .

There was a Louisa b 1812 to John and Sarah of Orsett, for example.

.2 ?Thomas (#1915) 20th Feb 1797 Orsett, remained ?unmarried until 1838 when he married widow Mary Knowles (#8203), 5th Nov 1838 Orsett

Thomas died Q1 1851 Orsett. The 1841 census suggest he had in fact married Sarah (#1916) first .

There was a "Thomas, son of Thomas and Sarah born Wimbish 1797" but this is another family - Thomas and Sarah Barker of Wimbish..

Mary Ann Iles (#8203) was bapt 17th Aug 1800 Orsett dau of James and Sarah Iles. She married William Knowles both single 1st Oct 1820 Orsett After William died she married Thomas Woodley (single) as a widow 5th Nov 1838 Orsett. This is almost certainly our Thomas (#1915) b 1797.

Note that a Thomas Woodley married Sarah Parr 1819 in Nottingham and note that John below was also in Nottingham where his son George was born. See FILE B15A

.3 ? Elizabeth (#1905) 28th Jan 1786 Orsett

There was a Sarah Woodley (#8655) baptised 8th Sept 1804 in Essex to unmarried Elizabeth Woodley. This could be Elizabeth #1905

.4 Sarah (#1906) 9th Oct 1791 S Ockendon

JAMES WOODLEY AND SARAH ANN JUGGONS (G13-S OCKENDON)

There was also a James Woodley (#8354) born 1825 in Orsett or South Ockendon.

It is thought that he married Sarah Ann Juggons (#8209) in 1851 in Orsett.

It is claimed in familysearch that he was son of Daniel Woodley and Mary Ann Lamb of Hampshire, but this seems very unlikely. He could however be a son of Daniel Woodley (#1907) and Charlotte Rumball (#8204).

The following family is an oddity as it doesn't seem to have many records and is not apparently connected to any other Woodleys. They seem to have been recorded using the names Woodley, Wolley and Woolley.

WILLIAM WOOLLEY AND JOANE (G11 - MOUNTNESSING)

William Woodley or Woolley (#8484) was bapt 10th July 1746 in Blackmore Essex, son of Robert Wooley 1716 and Mary Walmesley and grandson of Robert Wooley 1695 and Mary 1698.

PROSPEROUS WOODLEY AND KEZIA (G13 - OCKENDON)

Prosperous Woodley (#8476) (sic) snr was born 1828 in Mountnessing near Brentwood.

Kezia details unknown (#8478)

They would have married in Stifford between 1844 and 1856 at a time when marriage registration was in force.

Together they had a child Prosperous Woodley jnr (#8479) bapt 13th Jan 1856 in Stifford near South Ockendon. The child married Charlotte Sarah Francis in 1880 in Shoreditch East London.

There is no trace at all of their marriage, only Prosperous jnr's original baptismal record, which clearly shows "Prosperous, son of Prosperous and Kezia Woodley", though I suppose there is scope for the vicar getting the father's name confused with the son's.

Martha Clark was born Martha Vall or Vail in Stifford 1877. She married James Clark in 1801.

Mary Spackman (Mary Anne Staines Spackman) was born 1835 in Stifford, daughter of Lenhard Spackman 1796 and Elizabeth Vall 1796, sister of Martha Vall-Clark.

Isaac Manning, wheelwright, son of Jacob Manning, married Honnor Elizabeth Spackman dau of Leonard Spackman 12th May 1845 at Christ Church Middlesex (almost certainly the one in Spitalfields). They both lived in Chapel Yard.

Spackman, (sometimes read as Shackman) is a common name in Aveling near South Ockendon.

THOMAS WOODLEY AND (1) SARAH PARR (2) MARY ILES-KNOWLES (G12 - ASHDON)

THIS IS THOMAS #1915 son of Thomas Woodley #8462 and Sarah Hurd #1901 of Ockendon.

Thomas Woodley married Sarah Parr in Nottingham 1st Aug 1819, and then lived in Ashdon

(Easily confused with Thomas Woodley and Sarah 'Webb' of Ashdon, who were married Castle Camps in 1814 and lived in Ashdon as neighbours of the 'Parr' family)

Thomas (#1915) 20th Feb 1797 Orsett, he married widow Mary Knowles (#8203), 5th Nov 1838 Orsett

Thomas died Q1 1851 Orsett. The 1841 census suggest he had in fact married Sarah (#1916) first .

There was a "Thomas, son of Thomas and Sarah born Wimbish 1797" but this is another family - Thomas and Sarah Barker of Wimbish..

Mary Ann Iles (#8203) was bapt 17th Aug 1800 Orsett dau of James and Sarah Iles. She married William Knowles both single 1st Oct 1820 Orsett After William Knowles died she married Thomas Woodley (single) as a widow 5th Nov 1838 Orsett. This is almost certainly our Thomas (#1915) b 1797.

Note that a Thomas Woodley married Sarah Parr 1819 in Nottingham and note that John below was also in Nottingham where his son George was born. See FILE B15A

We do know that there was a John Woodley (#8205) Thomas (#1915)'s brother who had a child George Woodley #5005 born in Nottingham Barracks in 1824 and that this George settled in Littlebury after marrying in Saffron Walden. It could be that both John (George's father) and

Thomas were in the military and were both based for a time in Nottingham.

Sarah Parr was bapt 24th Feb 1796 in Nottingham dau of John and Dorothy Parr, though there is a small chance she was bapt 4th November 1797 in Lowndham to James and Betty Parr.

It was almost certainly this Thomas who married Sarah Parr in Nottingham in 1815. He died either 1847 or 1849 in Ashdon.

Possibly he was a member of the Royal Marines who had a training base in Nottingham. See file J_2 GEORGE b in Nottingham

CHILDREN, ALL BY SARAH PARR

Note that there is confusion between the children of Thomas Woodley and Sarah Parr and those of Thomas Woodley and Sarah Webb, both having children in Ashdon about the same time.

.1 Stephen (#1603) 1820 bapt 20th Sept 1821 Ashdon "to Thomas and Sarah". Stephen married Mary Ann Dawson both single on 7th Nov 1857 in Ashdon. She had had an illegitimate child Thomas in 1855.

NOTE THAT WE HAD STEPHEN WHO MARRIED MARY ANN DAWSON AS BOTH SON OF THOMAS WOODLEY & SARAH PARR AND SON OF TOMMY WRIGHT WOODLEY BUT **THIS THE PARR ONE IS THE CORRECT THOMAS**

Stephen (#1603) b 1820 married Mary Ann Dawson (#2707) in Ashdon on 7th Nov 1857 and their children were (#2709 to #2715) Charles 1864 Ashdon or Radwinter, Ellen Louisa 1860 Radwinter, Eliza Clara, Sarah 1863, Elizabeth, Sarah Ann, Benjamin, Alice 1858 Radwinter. John Woodley (**) (#607) born around 1570, son of John Woodley and Anes Cannon and named in his father's will. Died in Henham 1624

The death of John Woodley in 1624 in Henham is the last Woodley record in Henham. The family seems to have moved to Elmdon and Little Chesterford both quite close to each other and 10 miles from Henham.

Margaret Claydon (#608) was bapt 13th Feb 1569 in Gt Sampford, daughter of William Claydon

James #9605 died 1732.

CHILDREN

.1 REBECCA WOODLEY

Rebecca(#8423) bapt Stisted 1698

.2 WILLIAM WOODLEY

James and Mary had a son William (#2301) in 1713 Stisted ("son of James and Mary"). This son William may have married Emma (#2302) and had children Emma (#3209) 1748, Robert 1735 (#3001) [? md Prudence Pomfret (#3002)], and Mary (#8298) 1765.

WILLIAM WOODLEY AND EMMA (G10-RADWINTER)

William (#2301) 1714 born 1714.0801 in Stisted **son of James Woodley and Mary Young of Stisted**

Emma (##2302,#8422,3208)

We curently think that William married Emma around 1735, or at least settled in Radwinter together that year. However it is noted that Radwinter is 20 miles from Stisted.

William and Emma had three children in Radwinter :

.1 Emma (#3209) bapt 1748.0724 Radwinter

.2 Robert (#3001) 1741 who married Prudence Pomfret (#3002)

.3 Mary (#8298) bapt 27th Jan 1765 Essex "dau of William and Emmy"

ROBERT WOODLEY AND PRUDENCE POMFRET (G11-SAFFRON WALDEN)

This family is a complete mystery, but potentially Robert was grandson of James Woodley and Mary Young of Stisted. **and son of William #2301 and Emma #2302 of Radwinter**

Frances Woodley FAMILY K might well be related to this family

MARRIAGE

We know that Robert Woodley (#3001) and Prudence Pomfret (#3002) were married 15th June 1767 in Saffron Walden.

DEATHS

We know that Robert Woodley was buried either

(1) 19th Aug 1777 in Saffron Walden (more likely) or (2) 12th Jun 1820 in Saffron Walden (with date of birth of latter given as 1741)

We know that Prudence Woodley (a unique name) was buried 12th March 1800 in Saffron Walden. No age at death is recorded, but likely to be 50.

CHILDREN

They had three or four children

.1 Mary Woodley (#3004) bapt 8th Nov 1769 , Potentially. Mary could have married William Ballam on 25th Nov 1786 in Essex or James Hart on 15th July 1792 in Essex

.2 John Woodley (#3003,#103) **bapt** 3rd May 1772 , potentially could have married Mary Downham in 1784 in Radwinter if he was born 1768 or earlier but unlikely. He could THEN have married Metty Greenleaf

(#104) (see John Woodley #103) in 1798 in Essex, both single. Metty died before 1835 and John next married Judith Barker (#4300) in 1835.

John Woodley and Mary or Metty Greenleaf had several children, all in Ashdon : Ann, Dudley, Thomas, Martha, Mary, Eliza, Susan, Elizabeth and William

[see file john_woodley-metty_greenleaf E5](#)

.3 Robert Woodley (#1409) bapt 10th Sept 1775, potentially could have married Zillah Chapman (#1410) 3rd Dec 1817 in Radwinter. He probably died 18th June 1840 in Radwinter

[see file robert_woodley-zillah_chapman E6](#)

all baptised in "Essex" (probably Saffron Walden) and all "to Robert and Prudence".

.4 Possibly also Francis Woodley born between 1761 and 1780

BIRTHS

The only recorded birth of Robert Woodley in Essex between 1740 and 1760 is Robert Woodlee bapt 12th Jan 1752 in Gt Bentley Colchester to William and Mary. The conclusion is therefore that our Robert Woodley was never baptised and his parents are unknown.

However we might surmise that Robert is an unrecorded son of either John Woodley and Mary Taylor married in Radwinter in 1729 or more likely William Woodley (#2301) and Emma (#2302) of Stisted who had a child Emma (#3209) baptised 1748 (ie at the right period)

[see file woodleys_of_radwinter](#)

There is no record either of a baptism of Prudence Pomfret between 1740 and 1751 in Essex, or indeed anywhere. Robert and Prudence had something in common.

These are the following baptisms of female Pomfrets in Essex

Ellen Pomfret bapt 15th June 1766 in Wimbish, aged 16 yeas (so born 1750)

Elizabeth Pomfret bapt 27th Aug 1751 in Saffron Walden to Thomas and Elizabeth

Sarah Pomfret bapt 20th Apr 1752 in Saffron Walden to James and Elizabeth.

Mary Pomfret bapt 26th May 1750 in Little Chesterford to William and Ann

Ann Pomfret baptised 22nd Aug ???? in Saffron Walden to George, married John Baynes in Wimbish 1768, potentially Prudence's sister

Ann Pomfret 11.19.1741 died 1742 Little Chesterford

Ann Pomfret bapt 14th Apr 1745 Ashdon to Henry and Helana

It is interesting that Ellen was baptised one year to the day before Prudence was married. Maybe Prudence is the same person as Ellen - though to get baptised as Ellen in order to then marry as Prudence looks silly. Or Ellen was sickly and got baptised to prepare for her death.

Otherwise we can conjecture that Prudence, Ellen and Ann were sisters, daughters of George Pomfret. None were baptised immediately, though Ellen and Ann were baptised before their weddings, the Wimbish vicar being particular, but Prudence was never baptised as the Saffron Walden vicar was more laissez-faire..

G11 =====

The following family cannot be identified but is almost certainly descended from one of the two distinct Woodley families of Stisted who were last recorded in G9 - a gap of 1 generation!.

G11 =====

FRANCIS WOODLEY AND (1) MARY CLEMENTS? (2) MARY STAMMERS (G12 - HALSTEAD)

Halstead is near Stisted and Braintree and about 5 miles from Bocking mentioned below..

Francis Woodley born between 1761 and 1780. His parents cannot be determined .but he might be grandson of William #2301 b1714 FAMILY S and son of Rebert Woodley and Prudence Pomfret.

Mary Stammers born between 1771 and 1796. There are at least six possible Mary Stammers born in Essex in this time range.

MARRIAGE

Francis' first marriage cannot be identified for sure, but was possibly to Mary Clements 6th Sept 1798 in Madeley Cambridgeshire.

Francis and Mary Stammers were married 7th Dec 1812 in Halstead St Andrew in Essex, near Braintree. Francis was widowed and Mary was single.

This is curious We have a record of Joseph Woodley d 1890 Linton age 75, but no birth record of Joseph or his son John.

Alternatives :

William Woodley (#8262) was born 1792 in "Sanford" according to the 1851 census for Althorne, on the south east side of Chelmsford. By "Sanford" they probably mean Great or Little Sampford which lies on the north-west side of Chelmsford. The records for the Sampford churches are not at present readily available on-line so we have little idea who William's parents were. Of the records available the most likely is William Woodley bapt 21st Sept 1794 in Hutton, near Althorne son of single mother Rebecca Woodley (#8260) and unknown father (#8261). As we see below there is a family connection between Althorne and helions Bumpstead.

Just feasibly William of Ashdon (#120) married one of either Sorrel OR Dison and William (#8262) married the other.

However one source has claimed William was the son of John Woodley and 'Hannah' Watts and grandson of Wm Woodley and Amy Livermore.

Hannah Sorrel (#3312) (1792-1822) was the dau of Edward and Susannah Sorrel, bapt 16th Dec 1792 in Essex.

William and Hannah were married 9th Jul 1816 in Helions Bumpsted

CHILDREN OF HANNAH SORREL

William and Dudley were married on 22nd Apr 1823 in Helion Bumpsted.

MARTIN WOODLEY AND ANNA (G2-DEBDEN)

Martin Woodley (#8003) , died Newport 5th March 1559
He was the son of either John (#8216) or Thomas (#8026)

Anna (#8001), died Debden 25th April 1558 , presumed wife of
Martin (#8003)

We can presume that these individuals were born around 1500
and married around 1530.

They had three sons : :

George (#604) died 1594 in Debden. Married Mabel Gastin.

Henry (#8009) whose existence is deduced from the birth of his
son Martin (#8014) in 1559

presumably the wife of Henry)

It is the simplest of wills leaving everything to his wife Margaret

John Woodley (#8054) who married Elizabeth Lord (#8052) in Boreham

(D) THE PAMPHILONS

The earliest known recorded Pamphilon is Geoffrey Pamphilon (1250-1304)

(G3-)

John and Maud Pamphilon were both buried at St Mary's Henham in 1546

(G6-)

Their descendant Richard Pamplin (1615-1711) married Joan Woodley (1619-) dau of John Woodley (1593-1669) and Anne Drury (1590-1686) see will below.

(D) RICHARD PAMPHILON AND JOAN WOODLEY (G6 - WIDDINGTON)

Joan Woodley (#8329) (1619-1694) married Richard Pamplin (#8330) in London (Childerditch) 2nd Mar 1638.

The Pamplin or Pasmphilon family were Flemish Huguenot weavers who came to England in the 1400s

Brief Life History of Joan

When Joan Woodley was born in 1619, in Widdington, Essex, England, her father, John Woodley, was 26 and her mother, Anne Drury, was 29. She married Richard Pamplin on 2 March 1638, in London, England. They were the parents of at least 6 sons and 2 daughters. She died in 1694, in Arkesden, Essex, England, at the age of 75, and was buried in Rickling, Essex, England, United Kingdom.

I haven't been able to find the baptism of Joan Woodley wife of Richard Pamphilon so far, so I suspect she was born in Widdington.

I did find what is most likely her burial, Joan Phamphilon, widow, buried 13 Aug 1694 at Rickling, Essex.

Which leads me to believe her husband, Richard Pamphlin was buried 6 May 1681 at Clavering, Essex.

The Essex Archaeological Society publication of 1926 mentioned that the Pamphilons found it easy to move around in the Clavering, Rickling, Widdington and Debden area because of property ownership in that area.

Apparently Joan Woodley who married Richard Pamphilon was arrested as a witch in the 1600s."

However John Woodley died in 1669. He left to Joan Pamphilon his youngest daughter all his freehold messuage and tenement in Rickling with all the freehold land belonging. And after her decease I give the same unto Richard Pamphilon my grandchild.....
It seems that Joan was quite the favourite. Joan had a sister Elizabeth who got 5 shillings.....

It is worth pointing out that there was a strong non-conformist element to the Woodley family, and the biggest independent non-conformist churches at this time were in Saffron Walden, Bishops Stortford and Bury St Edmunds. So the Woodleys might have travelled a few miles to attend a favoured church..

Children :

William (#8066) of Fowlmere bapt 30th Sept 1652 in Fowlmere son of William and Dorcas.

There is a difficulty with the apparent age of the father (#8237) when the son (#8066) is born. Either (#8237) was baptised late or he has been misidentified.

There is also the difficulty that Newton in the Isle near Wisbech is 60 miles from Fowlmere.

There is no indication of what became of William #8066.

PART 8 - FAMILY E - CASTLE CAMPS

Version 1

© Copyright Alan Woodley 2025

THE WOODLEYS OF RADWINTER AND CASTLE CAMPS 1680-1840 (G9-G14)

SEE [FAMILY D](#) FOR EARLIER GENERATIONS

This family starts with William Woodley who married Agnes Purcas, and his brother Thomas Woodley who married

Elizabeth c 1700. Thomas and Elizabeth had no male heir so the family is principally that of William Woodley.

G9

=====

WILLIAM WOODLEY AND AGNES PURCAS (G9-RADWINTER)

The Woodley families of Radwinter appear to be all descended from William Woodley (#305) born around 1680 in Widdington and Agnes Purcas (#306) born around 1680 in Felsted who were married in Radwinter in 14th Oct 1703, though neither were originally from Radwinter village and were the first known Woodleys in the village.

William Woodley (#305) born around 1680 was possibly son of Thomas (#397) born around 1645 and Elizabeth (#398) born around 1645. SEE FAMILY D. Curiously the only known marriage for Thomas and Elizabeth is Thomas Woody #5010 married Elizabeth Torwell 5011 28th Sept 1653 in St Dunstan Stepney - too early and too far away.

Other possible parents are:.

- 1 Matthew Woodley #904 and Elizabeth Searle #905 of close-by Widdington, who were having children around 1674
- .2 James Woodley #907 and Frances Strane #908 , married Widdington 1681
- .3 Richard Woodley #901 also born Widdington, known to have married Elizabeth Leighton #903

There are three men in nearby Manuden at this time who could be brothers or cousins -

- .a Thomas who married Elizabeth 1698
- .b James who married Mary Young 1706
- .dc Richard who married Rebecca Wood 1700

It is ironic that this family - one of the key families in the Woodley history, has such ill-defined roots.

Agnes Purcas (#306) was also born around 1680. The only other record of a Purcas in Radwinter is not until 29th June 1729 when John Purcas married Alice Rust. So we might suppose Agnes was not born in Radwinter but in a neighbouring village such as Felsted. There is no obvious birth record

Despite the unusual name, the Purcas family was quite extensive but seems to have originated in Felsted and Little Yeldham, neither very close to Radwinter, but also not particularly far away (16 miles and 12 miles).

There is a record of Agnes Purcas being buried 18th May 1720 in Little Sampford. Clearly **not** our Agnes who would have been called Agnes Woodley by then. It is not clear if these two Agneses were connected.

MARRIAGE

William and Agnes were married 14th Oct 1703 in Radwinter.

CHILDREN

William and Agnes had five children :

William

John

Mary

Martin

Agnes

All baptisms and burials in Radwinter

.1 WILLIAM WOODLEY AND MARY BRAZIER

William (#4004) son of Wm W and Agnes Purcas bapt 7th Feb 1704 - 3 months after the wedding.

Now there was a William Woodley died 18th March 1704. Since there were no other Woodleys in Radwinter at that time we might suppose this is an infant death.

However, a William Woodley married Mary Brazier (8176) in Radwinter on 1st Oct 1727, so he may have survived.

William (#4004) 1704, married 1727 to Mary Brazier (#8176)

William may possibly have later married Emma (#8177) because William and Emma had a child John bapt 31st Aug 1735 and a child Emma bapt 24th July 1748. Emma senior died 7th Nov 1753

.2 JOHN WOODLEY AND MARY TAYLOR

John (#4005) bapt 11th Aug 1706 son of Wm W and Agnes Purcas
He **possibly** married Mary Taylor (#8179) in Radwinter 1st June 1729,
and they may have had a son William in 1730 and a daughter Mary bapt
22nd May 1737.

.3 MARY WOODLEY AND THOMAS HARR

Mary (#4006) bapt 7th March 1710, dau of Wm W and Agnes Purcas
married Thomas Harr (#8180) 1st Oct 1730

According to the records Mary Woodley married Robert Reynolds 12th
Oct **1712**, **far too early of course to be our Mary b 1710..** But a Robert
Reynolds married Elizabeth Purcas in Wimbish (close to Radwinter) on
8th Apr **1736**. So the 1712 date may be an error. It is possible that Mary
Woodley 1710, as widow of Thomas Harr, married Robert Reynolds in
say **1732** and herself died, and then Robert Reynolds married Elizabeth
Purcas 8th Apr 1736 in Wimbish.

.4 MARTIN

Martin (#8181) died 13th Mar 1710, definitely the infant child of
William and Agnes.

.5 AGNES

Agnes (#4007) dau of Wm W and Agnes Purcas bapt 4th July 1714.

There was an **Alice** Woodley died 22nd April 1714. Now this could be
Agnes' twin sister, died in infancy, or maybe William's mother, or maybe
Agnes was mis-read Alice..

In 1722 a **Frances** Woodley (#8175) married William Haydock (#8178)
on 11th Nov 1722, so she is potentially another child of Purcas.

William (#305) probably had a brother Thomas (#307) b 1680 who
married Elizabeth (#308) and another brother James who married Susan.

=====

F2.1 THOMAS WOODLEY AND ELIZABETH (G9-RADWINTER)

This is a particularly elusive family with poor or non-existent records.

Thomas Woodley (#307) born around 1680, was possibly a brother of
William Woodley (#305) who married Agnes Purcas.

Elizabeth (#308) probably born around 1680

Married around 1698

CHILDREN

They had two children

.1 ELIZABETH WOODLEY

Elizabeth Woodley (#1401) bap 30th Sept 1698 "to Thomas and Elizabeth" in Gt Bardfield about seven miles from Radwinter., possibly died 1741. Unknown partner (#1402)

.2 ANN WOODLEY

Anna (#1403) bap 21st Dec 1700 in Gt Bardfield "to Thomas and Elizabeth", possibly died Ashdon 1744

As they had no male child the 'Woodley' line ends here.

G10

John (#3210) b 1735 bap 31st Mar 1735, son of Mary Brazier, married Martha Everitt (#811) in 1755

F1.3 JOHN WOODLEY AND MARY TAYLOR (G10-RADWINTER)

CHILDREN

Elizabeth Woodley (#1401) born around 1698, bapt 30th Sept 1698

Elizabeth and her sister Ann) were daughters of Thomas (#307) and Elizabeth (#308). We believe that both girls (Elizabeth and Ann) remained unmarried but Elizabeth had several children with unknown male (#1402)

Elizabeth had two illegitimate children.:

.1 Frances (#1406) bapt 8th July 1726

.2 John (#1404) bapt 8th July 1726

G11

JOHN WOODLEY AND MARTHA EVERETT (G11-RADWINTER)

John Woodley {#3210} b 1735, possibly the son of William Woodley and Mary Brazier and grandson of William Woodley and Agnes Purcas.

Martha Everitt (#811), probably bap 18th Dec 1732, in Belchamp Otten (16 miles from Radwinter and Ashdon) dau of George and Mary Everet.

John (#3210) b 1735 married Martha Everitt (#811) in 1755

CHILDREN

.1 William (#3214) born 1756, bapt 18th Jul 1756 Radwinter "son of John and Martha" married Sarah Reaghole 1776 and Mary Forster 1784. William 1756 died 14th Dec 1821 in Radwinter.

.2 John (#8319) bapt 1st Apr 1759 Radwinter to John and Martha, may have married Mary Stock(#8410)

MARRIAGES OF WILLIAM WOODLEY (G11)

Ann Mansfield

There could be two Williams involved here, one the son of Mary Taylor #8179 and perhaps one the son of unmarried Elizabeth Woodley #1401.

WILLIAM WOODLEY AND SARAH HURST/ELIZABETH ANDREW/ANN MANSFIELD (G11-RADWINTER)

William Woodley (#8182, #8316) b 1730 married Sarah Hurst or Harrott (#8317) in 1756 and then Elizabeth Andrew (#8318) (or poss Ann Mansfield) in 1761,

ROBERT WOODLEY AND ELIZABETH SAVIL (G14-RADWINTER)

Probably Robert (#8303) bap 11th Sept 1814? Radwinter **son of John Woodley (#3216) and Sarah Buttle (#3217)**. Died 16th Jan 1876.

Elizabeth Savil (#8302) born 1814, bap 15th May 1814 Radwinter "dau of James and Rebecca Savilles (sic)" died 1840, buried 2nd Nov 1840 Radwinter age 26, after giving birth to Marianne.

Married 2nd Dec 1836 Radwinter

.1 Rebecca (#8400) 1838, bapt 15th Apr 1838 Radwinter "dau of Robt and Eliz", Married 29th Nov 1857 Moreton Essex to John Speed as "dau of Robt". Moreton is near Ongar where I think another Rebecca Woodley was born around this time! Also Robert in 1851 is a servant in Stanford Rivers, Ongar.

Note also the existence of

.1 Rebecca Woodley 1837 Ashdon daughter of James Woodley and Sarah Cornell (#4241) bapt 26th Aug 1837 Radwinter "dau of James and Sarah" who married Thomas Pearman in Ashdon in 1861.

WILLIAM WOODLEY AND LUCY MARSH (G14-ASHDON)

This family seems to have been based in the City of London, and is perhaps connected with another Woodley family living in Stepney. A member of this family moved to Ashdon in Essex around 1740 and was ancestor to a large number of Essex Woodleys. Given the density of Woodleys in this part of Essex it is possible he already had family ties there.

Despite the Great Fire of 1666 a great many earlier City records survived as they were stored in Westminster.

See the file 'Clandestine Churches' which particularly concerns (1) St Brides, Fleet (St BFS) and (2) St James, Duke Place

We have to start in the early 1600s with what we classify as GENERATION 4 (G4) to maintain consistency with other families. The early records are a bit random until we get to G8

The highlighted marriages seem to form a consistent set.

Jane Woodley wife of Henry Woodley died 12/11/1619 St BFS
It is not impossible that this is Henry Woodley #9605 of Rickling (son of Richard #6300) who, having been left no land may have sought his fortune in London, but this is pure speculation

G9 =====

JOHN WOODLEY AND ANN (G9-LONDON)

John Woodley #8652 bapt 26th July 1688 Clerkenwell., 'son of Charles and Elin', married Ann #8653 6th Jun 1711 at St Brides Fleet Street.

He may have had a brother or cousin, Jonathan Woodley married 8th May 1711 at St Brides Fleet Street

John and Ann had a son James (#201, G10-Ashdon) born 1715 London, baptised on 14th Sept 1715 at St Andrews by the Wardrobe with St Anne's Blackfriars, 'son of John and **Ann**'.

This son James married Ann Senior (#202) 29th Jan 1738 at St Brides Fleet Street.

John and Ann also had a son David #8654 in 1713 in London

G10 =====

JAMES WOODLEY AND ANN(E) SENIOR (G10-ASHDON)

James Woodley

All we know for sure is that the James we are interested in died and was buried 2nd March 1788 as recorded in All Saints Ashdon cemetery by 'findagrave' and this record suggests a birth year of 1715.

If we consider his possible marriage to Ann Senior in London (see below) then the most likely candidate for that marriage is James Woodley bapt 14th Sept 1715 at St Andrews Blackfriars, son of John and Anne.

Originally it was thought that James Woodley (#201) was *possibly* the son of William Woodley (#305) and Agnes Purcas (#306) and was supposedly born 1715 in Ashdon or Radwinter, Essex. There is no obvious birth record and we only have the birth year from his age when he died. There was no other couple actively having babies in the Ashdon area at that time.

According to another source he was the son born 1689 of William Woodley and Ann Glass but there is nothing to support this.

Ann Senior

The best record available for Ann is the Ashdon cemetery (findagrave) and church burial record of Ann Woodley who was buried a pauper in Ashdon 12th Feb 1794, age 74, five years after the death of James. Her birth year was estimated as 1720. Her children were born between 1742 (when she was 22) and 1760 (when she was 40), so that makes some biological sense.

Not much is known about James' wife Ann(e), though she might be Ann Senior (#202) chr 8th Oct 1716 at St Andrew's Holborn to Richard and Martha Senior, and she had sisters Cary 1714, Jane 1713. also bapt at St Andrews Holborn.

There is a clear record in the LDS database that James Woodley married Ann Senior 29th Jan 1738 at St Brides Fleet Street, London.

But there was a well-established family of Woodleys who used this church and they had been in London from 1650, so making it unlikely that the James in this marriage came from Essex, and that he was in fact baptised 1715 in Blackfriars.

There is another opinion that Ann was in fact Mary Ann Kinsella, born London, but I have seen no evidence to support this. James and Mary Ann Kinsella were also married at St Brides Fleet Street in 1738 but I cannot find a record.

*The following early hypothesis is also now **rejected***

"It seems on the face of it most likely that James married in Ashdon to a local girl, of which there were only 2 Anns of the right age- Ann Sparks and Ann Thurnhill -and that the marriage record is simply lost. A number of Ashdon marriage records cannot be found, suggesting either a lost volume or more likely marriages here were not formalised in church. Essex is a hot-bed of non-conformism. Ann Thurnhill was bapt 26th Jun 1720, making her the right age. This is of course very tenuous but is even so more likely than the other names put forward - ie Senior and Kinsella, but alas Ann Thurnhill dau of John and Mary died as an infant in July 1720. Ann Sparks was bapt 27th Jul 1725 in Ashdon and only married Joseph Elliston in 1762 - so she could have been the widow of James Woodley, except that our Ann died as Ann Woodley"

MARRIAGE

James Woodley of St Ann's Blackfriars married Ann Senior of St Brides, Fleet Street on 29th Jan 1738.

A distinct possibility is that James and Ann were both brought up in London but for whatever reason happened to move against the tide to live in Ashdon, Essex. This is not without precedent because in 1731 Samuel Woodley and Martha Holliday moved from their families in Stepney to live in Kelvedon. Indeed 1739 was considered a very bad year for life in London due to recession and a growing population. It was in 1739 that

Thomas Coram created the foundling hospital for the many abandoned London children.

Whatever the case, James and Ann lived in Ashdon near Saffron Walden

CHILDREN

James and Ann had ten children.

All christenings of the 10 children of James and Ann were at Ashdon parish church

.1 Sarah (#209), chr 20th July 1760 - mother Ann would have been 44, unusually old, but this could be an adult baptism! Unfortunately the record simply reads "bapt 20th July 1760 Sarah dr of John and Anne Woodley".

Sarah Woodley **could** have married widower Richard Mathes in Danbury 1778, but that could equally be Sarah 1748 dau of John and Frances Woodley of Manuden, although Danbury is in Chelmsford a long way from either Ashdon or Manuden..

.2 John, (#101) chr 27th July 1755, married Mary Weard (#102) in 1779. There were several marriages of John Woodley to a Mary around this time - to Mary Weard 1779, to Mary Archer 1785 and to Mary Greenleaf 1798, and a lot of children in each case.

One of these three 'John and Mary' marriages had a daughter Amelia Woodley 1789 and she married William Smart 1812 and had a daughter Mary Smart 1831 who was in this census with her grandmother.

[.4 Thomas \(#212\)](#), chr 7th April 1751 (Ashdon to James and Ann) He is very likely the Thomas that married Sarah Barker in Radwinter, very close to Ashdon.

[.5 Elizabeth \(#205\)](#), chr 23rd Feb 1745 (Ashdon, to James and Ann), possibly married John Clarke (#8174) 1773, but she could have had an illegitimate child with unknown father (#2303) - George (#8171) bapt 13th Apr 1766 before her marriage. George (single) married Hannah Slogrove (#8172) (widow) on 28th July 1793 in Ashdon. (John Slogrove married Hannah Barker 26th Jun 1783 and on John's death she married George Woodley.
George Woodley buried 16th Mar 1834 Ashdon age 68 (born 1766)

[.6 William \(#203\)](#), chr 15th January 1743, married Jane Norris (#213) in Tilty in 1771. Two children Jane (#217) 1772 (bapt 6th Mar 1772) and John (#215) 1773

See file [william_woodley-jane_norris](#)

[.7 Mary \(#206\)](#), chr 6th November 1748 in Ashdon married Isaac Chapman (#8401) and they had three children, Ann, Harry and William.

[.8 Agnes \(#207\)](#), chr 27th January 1754, appears not to have married

[.9 Daniel \(#208\)](#), chr 5th March 1758 Ashdon to James and Ann, married Sarah Carpenter (#8173) 23rd Apr 1797 in Ashdon. (Daniel was single but Sarah was a widow, probably Sarah Paul widow of John Carpenter of Langdon Hills)

[.10 James \(#204\)](#), (1742-1808) chr 27th June 1742, who married Elizabeth (#214) (b1748) This is either Elizabeth Brown or Elizabeth Flechford or (more likely) Hitchford, married 27th Nov 1766. In the indexes James is listed as 'Havers'. They had three children James (#228) 1766, Jane (#229) 1768 (bapt 13th Mar 1768) and Hannah (#230) (1769-1819).

Hannah (#230) married Joseph Lofts (#231) (1764-1824) and their son Charles Lofts (#4132) (1809-1853) married Sarah Woodley (#4125) (1817-1895) daughter of William Woodley (#1413) 1787-1862 and Mary Ann Flack (#4120) (-1820) - **though these were a distant family from the Manuden branch.**

There were three marriages of Hannah Woodley around this time - but unfortunately only one eligible birth of Hannah Woodley, though feasibly in one case Woodley might be the name from a previous marriage.

.1 Hannah Woodley married John Truman 11th March 1791 Essex no marital status given, perhaps she was a widow.

.2 Hannah Woodley married James Martin 25th Jan 1792 in Essex, both single.

.3 Hannah Woodley married Joseph Lofts 6th Dec 1791 in Ashdon, both single.

If Hannah Woodley is a widow then the two contenders are

Susannah Woodley who married John Francis 1774

Susannah Gregory who married Thomas Woodley 1788, though this couple were still having children in 1799.

There was a previously un-noticed Hanah Woodly (sic) bap 9th July 1770 dau of James who would fit the bill of marrying Truman and/or Martin.

So feasibly

Hannah #230 married Joseph Lofts

Hanah Woodly married James Martin

Susannah Woodley who died 1787 married John Francis but could not have married John Truman

We still have no idea who married John Truman.

NOTE

James son of Ann Senior 1738 Ashdon and James (#703) son of Frances Hammond 1742 Manuden each married either Elizabeth Brown 1765

Linton or Elizabeth Flechford 1766 Essex

In fact Brown looks more likely for THIS James #204

G11 =====

THOMAS WOODLEY AND SARAH BARKER (G11-WIMBISH)

Wimbish, Radwinter and Ashdon are very close to each other.

Thomas Woodley (#212), chr 7th April 1751 (Ashdon to James and Ann)

Sarah Barker (#2802)

There are a lot of Sarah Barkers that are possible but the likeliest are Sarah Barker bapt 14/8/1763 Ashdon to Robert and Mary and

Sarah Barker bapt 05/7/1772 Ashdon to Robert and Mary

Normally this might have implied that the first died young and the name was re-used for the later child. If so Sarah would be only 16 when she married Thomas. Or she could have been baptised a second time when she was 21 in which case she was 25 at marriage.

Married 26th Oct 1788 in Wimbish/Radwinter

This marriage doesn't appear in familysearch

In Essex Marriages and Banns 1537-1935 (findmypast) it appears as : "Thomas Woodley of Radwinter married Sarah Marker of Radwinter 1/11/1788 in Radwinter

Thomas would be at least 37 so this could be a second marriage - or the wrong Thomas, though there is no other obvious candidate..

Note possible relatives : Elizabeth Woodley married James Barker 21/1/1804 Radwinter and Mary Woodley and Robert Daking married 1/3/1804 Radwinter

CHILDREN

Thomas (#2803) born 2nd or 22nd Feb 1797, bapt 20th or 26th Feb 1797 in Wimbish died 1816.

Ann (#2804) born 11th Mar 1797, bapt 5th May 1797 in Wimbish

but note these are born too close together to make any sense. There must be 2 sets of parents.

All definitely had parents "Thomas and Sarah".

WILLIAM WOODLEY AND JANE NORRIS (G11-ASHDON)

William Woodley (#203) (1743-1822) was christened 15th January 1743 at Ashdon near Saffron Walden, the son of James Woodley (#201) and Anne Senior (#202) of Ashdon,. William was buried either 7th September 1812 or 5th November 1822.

See file [john_woodley-ann_senior](#)

Jane Norris (#213) was christened 11th March 1743 in Tilty, near Saffron Walden, daughter of William Norris (chr 15th April 1717) and Jane. Her grandfather was Isaac Norris of Thaxted near Saffron Walden.

There are two possibilities both in Thaxted-

.1 Isaac chr 30th Nov 1689 to William and Ann Norris

.2 Isaac chr 16th April 1699 to Isaac and Martha.

MARRIAGE

William Woodley and Jane Norris were married 7th May 1771 in the village of Tilty, near Saffron Walden.

CHILDREN

William and Jane had two children, John and Jane.

.1 John Woodley (#215) 1773-1833, was christened 4th June 1773. He married Sarah Goodwin (#216) (1772-1861) in 1810 and they moved from rural Ashdon into a down-at-heel area of Saffron Walden. Their children were : John (#2401) 1813, Sarah (221) 1815, Charlotte (#223) 1815, Elizabeth (#220) 1817/21 and Ann (#218) 1818 (**when Sarah Goodwin was 46!**)

John and Sarah would have been quite old (38) when they married. It is certainly feasible, but not proven, that John had previously married Elizabeth x (#8409) in 1800 . There is a small chance he married Mary Stock (#8410)

Originally it was thought that John Woodley who married Metty Greenleaf was a child in this family, but this is now discounted.

.1 THOMAS (#105) b 1785 d 1847 who married **Sarah Webb** (#121) (1796-1865), married 2nd Dec 1814 in Castle Camps, Cambridgeshire. Sarah Webb was dau of William and Mary Webb, b 1794. Although the marriage was in Castle Camps the family remained in Ashdon - or at least continued to use Ashdon church.

Note that there is confusion between the children of Thomas Woodley and Sarah Parr and those of Thomas Woodley and Sarah Webb, both having children in Ashdon about the same time.

.2 WILLIAM (#3222) b 1783 d 1822, bapt in Ashdon on 2nd Feb 1783 married Susan(nah) Coote (#3223) 22nd Feb 1803 in Radwinter

THOMAS WOODLEY AND SARAH WEBB G12- ASHDON)

THOMAS (#105) b 1785 d 1847, son of John Woodley and Mary Weard, who married **Sarah Webb** (#121) (1796-1865), married 2nd Dec 1814 in Castle Camps, Cambridgeshire.

Sarah Webb (#121) b 1794 was dau of William and Mary Webb.

Although the marriage was in Castle Camps the family remained in Ashdon - or at least continued to use Ashdon church.

Note that there is confusion between the children of Thomas Woodley and Sarah Parr and those of Thomas Woodley and Sarah Webb, both having children in Ashdon about the same time.

Thomas Woodley and Sarah Webb had 10 children between 1815 and 1838. Their children are generally named 'Webb Woodley' - thus Rachel Webb Woodley and William Webb Woodley - in the parish registers, to avoid confusion with other Woodleys in Ashdon,.

It's unfortunate there is no consistency of who her father was.

With James Hawes she seemed to move to High Wycombe where he was a beer shop keeper with her son William Woodley - there is census record for this!

(note there was also Susan bapt 1813 Ashdon to John and Mary ?'Stock'?)

However there might be another William and Susan in Ashdon and the gap between marriage and children is puzzling.

CHARLES LOFTS AND SARAH WOODLEY (G12 - ASHDON)

Charles Lofts (#4132) (1809-1853) bapt 15th Oct 1809, Ashdon was the son of Joseph Lofts (#231) and Hannah Woodley (#230). Hannah was the daughter of James Woodley (#204) and Elizabeth Flechford (#214), and grand-daughter of James Woodley (#201) who married Ann Senior (#202).

Joseph married Hannah 8th or 6th Dec 1791

Essex Standard 20th Nov 1846 - obituaries

"Nov 17 at Saffron Walden, aged 68 Mrs Hannah Lofts, many years housekeeper to the late Joseph Shepherd Esq."

So Hannah (#230) was, according to this, born 1778, though she was actually baptised 10th Dec 1769 so she would have been 77.

However the 1841 census for Saffron Walden has

Hannah Lofts 50 (ie born 1791,)- **this must be a daughter who never married**

Sarah Woodley (#4125) 1817-1895 chr 8th June 1817 was the daughter of William Woodley (#1413) (1787-1862) and Mary Ann Flack (#4120) , from the Manuden branch of the family. See file FAMILY N

Charles (#4132) and Sarah (#4125) were married 4th July 1840 in Ashdon

John Lofts (#4130) b 21st Nov 1848

On 17th Oct 1848 Charles Lofts, 'age 36 with imperfect education' was sentenced at the County Assizes to 7 years transportation for 'larceny by servant'. This was one month before the birth of his son John on 21st Nov 1848.

Essex Standard Oct 27th 1848

"Extensive corn stealing - Chas Lofts a labourer was indicted for stealing a quantity of corn to the value of £9 from James and Abraham Seward of Ashdon. Mr Hawkins for the prosecution. Mr Parnell for the defence. It appeared that the prisoner had been a horsekeeper in the service of the prosecutors ..."

In 1851 Charles Lofts was in Chelmsford Gaol and in 1852 he went to Tasmania (Van Diemens Land) on 16th Apr 1852 on the 'Pestonjee Bomanjee'. The surgeon on board, Daniel Ritchie was an advocate of good treatment of prisoners and kept a chronicle of the voyage but as yet this is not available online. Considering that in 1854 a voyage by the same ship carrying voluntary migrants resulted in many deaths from fever the conditions must still have been bad.

Charles Lofts died in Tasmania 6th Jun 1853 after drowning in the South Esk River.

Rebecca (#2702) born 1822 or 1826, dau of Mary Taylor If we look at the 1841 census we find Stephen b 1840. This is almost certainly the illegitimate son of Rebecca born perhaps when she was only 15. Rebecca married William Richardson (son of Thomas) at Balsham, Cambs on 8th

JOHN WOODLEY AND SARAH GOODWIN (G12-ASHDON)

John Woodley (#215) (1773-1833) christened 4th June 1773. was the son of William (#203) Woodley 1743 and Jane Norris . William his father was born in Ashdon, near Saffron Walden but seems to have moved to Saffron Walden before he married.

[See file william_woodley-jane_norris](#)

Sarah Goodwin (#216) (1772?-1861) was born between 1766 and 1772. She is inconsistent when declaring her age. She died 1861 Her first child was Ruth born 1788 when she was 16 and the last was Elizabeth born 1821 when she was 49. This is an unusual age range but not impossible

The most likely candidate is Sarah Goodwin, b 1st May 1762 and chr 22nd Feb 1767 in Essex to John and Hannah Goodwin. However, her children seem to have arrived very late in life! This is a concern.

Sarah Goodwin bapt in Essex :
bapt 19/5/1778 to John and Sarah
bapt 22/2/1767 to John and Hannah
bapt 29/3/1785 to James and Mary
bapt 16/1/1778 to Benson and Elizabeth

MARRIAGE

There is a marriage of John Woodley to Sarah Goodwin on 28th Oct 1810 in Saffron Walden **So, Sarah Goodwin was possibly John's second marriage, and possibly his first wife was also Sarah, though we cannot yet find the record. Or Sarah was married first to William Woodley and then**

to John Woodley. In fact that is a very interesting possibility
Unfortunately there is a lack of clear marriage records.

They moved from rural Ashdon into a down-at-heel area of Saffron Walden. Their children were : John (#226) 1813, Sarah (221) 1815, Charlotte (#223) 1815, Elizabeth (#220) 1817/21 and Ann (#218) 1818

John and Sarah would have been quite old when they married. It is certainly feasible, but not proven, that John had previously married Elizabeth x in 1800 and/or Mary Stock in 1803 in Radwinter.

See file [john_woodley-mary_stock](#)

I suppose the best bet is that John (#215) married Elizabeth (#8409) and then Sarah Goodwin (#216) both in Ashdon, and that John (#3216) married Mary Stock (#8410) and then Sarah Buttle (#3217) both in Radwinter.

CHILDREN

.1 John Woodley (#2401) b circa 1816 married Mary Auger (#2402) .
His sister Charlotte (see below) married John Auger.

See file [john_woodley-mary_auger](#)

.2 Ann Woodley (#218) b 1818 married William Thurgood (#219)
13th Sep 1848 (marr record quotes "Ann,dau of John Woodley and William son of William Thurgood")

.3 Elizabeth Woodley (#220) , chr 12th August 1821, married (1) John Barker (#4002) in 1845 and (2) Isaac Smart (#4003) in 1860.

Marriage 1

Her brother James' accomplice in the robbery for which he was transported was Thomas Barker, almost certainly a close relation of John Barker..

There is a marriage of Betsy Woodley Q3 1845 in Saffron Walden to John Barker. Witnesses were Mary Ann Barker, Joseph French, James Langley, John Langran, Eliza Richardson and Hannah Sharp.
(Betsey Woodley (indexed as Wordley!, daughter of John Woodley) married 13th July 1845 or 15th June 1845 to John Barker)

Two children :

Selena Barker was chr 29th Nov 1846 to Mark and Emma Barker - so maybe she was adopted by John and Betsy.

Emma Barker was chr 29th Sept 1849 to John and Betsy

Neither Selena nor Emma appears in the 1851 census.

Marriage 2

Betsy Barker 40, widow, daughter of John Woodley married Isaac Smart 39, son of William Smart on 13th May 1860 in Saffron Walden.

Emma Barker died 1924 in Saffron Walden.

Harry Smart b 1862, married Harriet Ridgwell, daur of Philip Ridgewell on 23rd Dec 1882 and a witness was Mary Ann Auger.

Note the marriage elsewhere of Sarah Reaghole. This is almost certainly Sarah Ridgewell as that seems to be the settled spelling.

So there are clearly two separate Elizabeth/Eliza/Betsys, one daughter of James and one daughter of John (and there is another Elizabeth born 1838 to John Woodley and Mary Auger)

In addition there is the confusion that this Elizabeth Woodley is indexed Wordley in LDS and the LDS does not make Elizabeth and Betsy as equivalent names.

.4 Sarah Woodley (#221), chr 10th December 1815. She married neighbour Samuel Braybrooke (#222) on 20th August 1843. Mary Ann

Barker was a witness. She must be related to John Barker. They had a daughter Mary Ann (#232) 1844 and two sons, William (#233) 1851 and Harry (#244) 1855.

Samuel died before 1871.

She had five children with John Auger.- John (#235) 1830, William (#236) 1833, Maryann (#237) 1837, Emma (#238) 1841, and two children with Charles Wiskin - James (#239) 11/4/1847 and Charles (#240) (1852-1855) (Their children included William #236 b 14/5/1833 chr 10/11/1833 and Emma #238 b 13/9/1840 chr 10/1/1841)

(Charles Wiskin was son of James Wiskin and Sarah Auger, presumably a relation of John Auger. Charles had a nephew Charles Reader 1859-)

John Auger 1809-1840 was the son of William Philip Auger (1775-1817) and Ann Burgess (1775-) His sister Sarah Auger b 1796 married John Wisken b 1796 and they had a son Charles Wiskin (#225) b 1819 who married Charlotte Woodley #223.

Charlotte Woodley #223 (1811-1884) and John Auger #224 were married 6th October 1830. She could not have been older than 16, and possibly younger. He would have been 21. She would have been pregnant with John #235 at the time.

John Auger was buried 30th July 1840 aged 31, so born 1809.

Charlotte Augar as she now was #223, daughter of John Woodley married Charles Wiskin, b 1818 son of John Wiskin, on 28th June 1846.

"ESSEX STANDARD 19th Apr 1844

An extraordinary outcry was a few days since raised amongst the thickly populated and not very refined residents occupying Castle Street [Saffron Walden] against Mr James Archer a respectable butcher relative to his treatment of a boy in his service named Woodley by first beating and then hanging him. The case was soon afterwards investigated before the Borough Magistrates when it appeared that the boy was strongly addicted to thieving and in his master's absence last Thursday he was caught stealing a quantity of peas. On Mr Archer's return ..."

(The Woodley boy is likely to be John Auger, who reverted to being called Woodley see the 1841 census for Castle St, and who would have been 14 at the time and living in Castle Street)

The John in this 1841 census above - whoever he is - is almost certainly the John Woodley featured in this article below, since in the 1841 census for Ashdon he is the only John Woodley of viable age.-

"ESSEX STANDARD 20th Oct 1838

Charles Reed for stealing a spade from John Woodley at Ashdon, one month's hard labour".

This John of Ashdon, "son of William" (and from the census son of Susan) in this census married Elizabeth Webb, "dau of Lawrence Webb" in 1844 in Radwinter her home.

JOSEPH LOFTS WOODLEY AND ALICE BARRETT (G13 -ASHDON)

Joseph Lofts Woodley (#4126) was the illegitimate son, born 1839 of Sarah Woodley (#4125) who later married Charles Lofts (#4132)

Alice Barrett (#4127) born 1851 in Ashdon

It seems likely that, after his step-father Charles Lofts was transported, Joseph L Woodley joined the navy between 1841 and 1871 until returning to Ashdon where he married Alice Barrett Q2 1871 13th May 1871 in Saffron Walden. He was 32 and she was 20. **However, the naval connection is not yet certain**

They had seven children as listed in the 1891 census for Church End, Ashdon

Joseph Lofts Woodley died 1906 and buried 11th Sept 1906 in Ashdon

JOSEPH WOODLEY AND ELIZABETH CATON (G13-ASHDON)

Joseph Woodley (#3302) (1817 Ashdon-1890 Linton) bapt 30th Mar 1817 "to William and Susan", it is possible he was son of William Woodley (#3222) and Susan **Coote (#3223) of Radwinter**, but possibly there was another William and Susan in Ashdon.

There was also an Anne bapt 20th July 1820 in Ashdon and John 1814 who could be her sibling. This points towards the Coote option.

Elizabeth Caton (#3303) born 1818 or 1821 in Saffron Walden or Radwinter, though there is no obvious birth or baptism record, though there are for Gt Dunmow, Ingatestone and Braintree (Shalford).

They were married in Ashdon 5th July 1839.

"Joseph Woodley of full age labourer of Ashdon, father William married to Elizabeth Caton, a minor, daughter of John Caton. Witnesses John Woodley and Martha Barham"

The family moved in 1851 to Bartlow End, near Linton Cambs.

Harriet already had a son George Edward in 1861

John and Harriet had the following children

Joseph 9th June 1865

Elizabeth: 12th July 1867

- William: 5th November 1869

- Louisa: 2nd May 1875 – November 1882

After Harriet died in 1880 John married Mary Rule in 1886. John died 1926.

From 1891 to 1901 George Edward was living with his grandmother or perhaps step-grandmother, Betsy (Caton) Woodley.

Chelmsford Chronicle 11th September 1891

On Tuesday, Mr William Caten Woodley, of Homerton, youngest son of John Woodley, of Bartlow Hamlet, with whom he was staying on a visit, was getting into an empty harvest wagon, when the front ladder came out, causing him to fall, doubling his right leg under him and breaking the thigh. Pc. Lancum skilfully splintered the leg, after which Mr W.

Woodley conveyed the sufferer to the Saffron Walden Hospital, where Dr Bartlett set the fracture.

This presumably refers to William Woodley born 1869.

William Caton Woodley (#3307) born 1850 or 1851, bapt 17th Jul 1867 in Ashdon, "son of Joseph and Eliz." married Mary Ann Smart (nee Taylor) in 1894. both second marriages. William died 1897 in Saffron Walden, his estate was granted probate of a will.

There are some newspaper advertisements (to be located) which suggest he owned some property including a freehold blacksmiths forge.

John Woodley

John Woodley (#2401) was born 1816 to 1818 in Saffron Walden (according to census records)

It seems now increasingly likely, eliminating other options, that this John who married Mary Auger was the son of John Woodley #215 and Sarah Goodwin #216 who married `1810.

See file [john_woodley-sarah_goodwin](#)

NOT John Woodley (#8440) (1821?-1895) born in Saffron Walden, son of William (#2603)1794 and Amey (#1414) 1796 Woodley.of Littlebury. There is a baptism record - "John bapt 11th Oct 1818 Littlebury, son of William and Amy".

NOT John Woodley (#415) was born 1816-1821 son of James Woodley and Ann Richardson, who married Charlotte Thurgood

NOT JOHN WOODLEY son of William and Elizabeth who probably married Sarah Archer.

NOT John Woodley baptised 25th Nov 1821, son of William and Mary ANN FLACK

Mary Auger

Mary Ann Auger (#2402) was born 1816 daughter of Henry Auger and Jane Warren

Henry Auger b 1782 and Jane Warren b 1786 were married 1807 in Saffron Walden.

Jane Warren 1786 had a sister Elizabeth Warren b 1781, who describes herself as widow, but probably never married. Elizabeth Warren appears in the census records below.

Henry and Jane had four children :

- .1 Edward 1807, married Sarah Taylor
- .2 Jane 1806, married James Miller
- .3 Mary Ann 1816, married John Woodley
- .4 Henry 1810

MARRIAGE

John Woodley and Mary Ann Auger were married 15th May 1837 in Saffron Walden.

At the time of the marriage Mary Auger was already pregnant with child Elizabeth.

Marriage record "15th May 1837 Saffron Walden John Woodley of this parish bachelor, Mary Auger of this parish spinster, witnesses James Dance and E Warden (ie Warren) (no parents specified)"

Children - Ellen Barker 1855, Daniel Barker 1848, Henry Barker 1860, plus Joseph, Jane and Mary Ann. **Missing from the 1851 census.**
Abraham Barker died Q2 1913 S/W aged 83.

.2 Ann Woodley (#2404), born Q3 1840 in Saffron Walden as Mary Ann Woodley 'dau of John and Mary'. Not baptised. She may have died Q4 1842.

.3 Elisa Woodley (#8442) bapt 10th Jun 1840 **but not in the 1841 census.** She married at age 20 to Samuel King age 23, son of James King bricklayer on 8th Apr 1860 in Saffron Walden. Witnesses Harriet Atkins and William 'Ping?'

.4 [Sarah Woodley](#), (#8446) born 1843 and bapt 14th Jan 1844. She married James King in Q4 1860 in Saffron Walden, soon after her sister Elisa's marriage. Witnesses Joseph Gates and Rebecca Sarah Webb.

.5 [Robert Woodley](#) (#8233) b Q2 1851, bapt 13th July 1851 Saffron Woodley "to John Woodley labourer and Mary Anne". It appears that in 1871 he married Amelia Thurgood (#8234) and by the 1901 census for Saffron Walden they had four children Arthur, Susan, Frederick and William.

.6 [Jane Woodley](#) (#8235) b 1852, bapt 13th Apr 1856 Saffron Walden "to John Woodley labourer and Mary ". She married John Goodwin 12th Oct 1872 in Saffron Walden and they had 10 children.

THE CORNELL FAMILY

The Woodley and Cornell families have several links.

- .1 James Woodley married Sarah Cornell Ashdon 1846
- .2 James Woodley married Emily Cornell 1858
- .3 George Woodley married Dudley Cornell c1870

According to an American source this family is directly descended from Thomas Cornell 1593-1655 of Saffron Walden.

He is alleged to be a direct descendant of King John, through King John's son Richard, 1st Earl of Cornwall 1209-1272.

Furthermore Thomas Cornell's family went to America with the early settlers and one descendant founded Cornell University.

Another American descendant, Abby Cornwell, married Thomas Welwood a noted property developer in Long Island New York.

WOODLEYS OF STEPNEY AND KELVEDON

(G6) Mary Woodley bapt 29/1/1601 St Dunstan, Stepney

G7 to G10 =====

**THOMAS WOODLEY AND ELIZABETH TORWELL
OR CORWELL (G7-LONDON)**

Thomas Woodley #5010 and Elizabeth Torwell #5011

Married 28th Sept 1653 at St Dunstons Stepney - some distance from the City.

OR

Henry Woodley (G7) married Ann King at St Benet Pauls Wharf, London on 8th June 1651

They either had a child Thomas Woodley bapt 10th Jan 1663 at St Brides Fleet Street

and Thomas W bapt 26/6/1664 St Katherine Cree to Thomas and Eliz St Katherines Cree was later replaced as a local church by St James Duke Place.

Thomas Woodley (G8) married Alice probably in Southwark about 1685. They had a child John Woodley bapt 1689 in Southwark.

John Woodley #8669 (G9) married Hannah Long #8670 on 1st Jan 1707 at St Dunstons Stepney. John is described as "of Wapp:marr" which probably means he lived in Wapping and was a mariner (since adjacent records show a similar location and a trade).
Stepney and Wapping are feasibly 'close' to each other.

They had a child **Samuel Woodley #8667 (G10)** bapt 14th Aug 1712 at St Dunstan Stepney and again John is described as "of Wapping marr", presumaby mariner.

Samuel Woodley and Martha Holliday moved together to Kelvedon Chelmsford and married in Kelvedon in 1731.

Note that there was James Woodley and Ann Senior married 1738 at St Brides Fleet St in the City of London, who moved to Ashdon in Essex (FAMILY A). It is not clear whether the Stepney Woodleys were in any way related to the City Woodleys..

G10 =====

SAMUEL WOODLEY AND MARTHA HOLLIDAY (G10 - KELVEDON)

Samuel Woodley #8667 (G10) bapt 14th Aug 1712 at St Dunstan Stepney

Martha Holyday (sic) #8668 was bapt 1st Feb 1701 at St Dunstans Stepney to James and Martha

Samuel Woodley and Martha Holliday moved together to Kelvedon Chelmsford and there married in 1731.

Samuel Woodley and Martha Holliday were both born in Stepney, East London and appear to have moved together and married in Kelvedon near Chelmsford. The Woodley family in Stepney goes back for many generations to at least 1651 and appears to have only tenuous links to the

Essex Woodleys. They seem distinct from the Woodleys in the City of London as well.

Children

.1 Martha b1733 bapt 20th Jan 1733 Kelvedon who married John Richardson 24th Oct 1752 in Kelvedon.

.2 Ann bapt 4th Apr 1736 Kelvedon

Thus, having no male heir, this Woodley line apparently ends.

Note that there were already Woodleys in the Kelvedon area in the 1620s long before Samuel and Martha arrived from London in 1731 SEE FAMILY D.

THE FAMILY OF CLEMENT #8321 AND AGNES/ANN #8322

.Susan Woodley (#8055) married John Spillar (#8053) in 1664 in Kelvedon

Clemente (#8325) Woodley Gt Totham died 1633 Great Totham, daughter of Ann

Sarah (#8334) married John Whittaker (#8345) 8th Jun 1666 in Boreham

There was another unclassified family near Kelvedon in the 1830s as here.

**COLCHESTER SE, HARWICH, GT BENTLEY,
BRIGHTLINGSEA, THORRINGTON and ELMSTEAD**
This is an area on a peninsular SE of Colchester and relatively remote.

One of the earliest records is the birth of Robert Woodley in 1752 in Gt Bentley to William and Mary.

Note that there was a family called **Wadley** in Aveling near Ockendon around 1758. OCKENDON is nowhere near Colchester!!

For example Samuel Woodley married Elizabeth Cole 20th Oct 1758 in Inworth, Colchester. There is no other trace of this Woodley family so it could be a one-off mis-spelling of Wadley.

G10 =====

WILLIAM WOODLEY AND (1) MARY (2) MARTHA TRENHAM (G10 - GT BENTLEY)

William Woodlee probably born between 1710 and 1730

(1) Mary, married around 1750

(2) Martha Trenham, married 1756

William Woodley widower married Martha Trenham in Gt Bentley 17th Nov 1756. In findmypast this is recorded as William Needles and Martha Turnham.

Nothing else is known about this couple.

WILLIAM WOODLEY AND ELIZABETH (G11-GT BENTLEY)

William Woodley (#8268) possibly another son of William Woodley and Martha Trenham above and so born around 1750.

Elizabeth (#8269)

Both are mysterious figures with no birth record and no marriage record.

This couple seem to have been cohabiting from about 1765.

They had a son William (#8270) bapt 28th Mar 1774 in Weeley St Andrew near Gt Bentley.

Potentially the son William (#8270) cohabited with Jane King (#8271) (bapt 11th Jan 1780 to Robt and Eliz King, in Shenfield nr Brentwood)

Together William the son and Jane King had a dau Ann (#8076) in 1797

Note also there was a Jane King that married Thomas Marsh in Ashdon in 1789

William (#8460) is the best candidate for cohabiting with Jane King (#8271, #8075), Ashdon, 1796 and having daughter Ann (#8076) 1797, Ashdon

Version 1

This family is distinct from FAMILY A that lived in Ashdon,
descendants of John Woodley and Ann Senior.

This family adopted unusual spelling variations - though this is likely a
fault of the local vicars. Their roots are in Hadstock a few miles from
Ashdon.

G5 =====

Earliest record

ASHDON 1734 TO 1770 (G10 - G11)

The earliest Woodley marriage record in Ashdon is the marriage in 1734 of William Woodley to Mary Webb who lived in Ashdon

They seem to have been joined there in 1738 by James Woodley and Ann Senior from London FAMILY A, though maybe William and James were brothers. So there were **two G10** families which form the basis of the Woodleys of Ashdon. They potentially could be grandsons of Robert and Marie Woodle.

G10 =====

WILLIAM WOODLEY AND (1) MARY WEBB AND (2) MARY HARRINGTON (G10 - ASHDON)

This family was only found recently as they used odd spellings - Wodel and Woodle. There was a large number of people called Woodell in Hadstock, not far from Ashdon.

As such it is assumed that the Woodells are a separate family from the Woodleys, and that the family in THIS file belong to the Woodell clan.

William Woodley was probably grandson of Robert and Marie Woodle of Hadstock. He had a brother Joseph who married Saerah.

Susan 1786

All baptisms used the spelling **WADLEY**. All in Belchamp Walters.

There was a Maria Woodley b 1793, [to John and Sarah]chr 25th Aug 1793 Essex. She may have married John Andrews or Thomas Underwood around 1820. Does she belong here? There are no other contemporary Jahn/Sarabs

This family caused genealogical problems until it was realised that his forebears and ancestors all used the surname WADLEY. This marriage was the only occasion when the spelling WOODLEY was used.

Thus they had a son Jonathan Wadley 23rd Apr 1786 in Belchamp Walter

For this reason these individuals are not considered part of the Woodley family.
